

Organization Name	Project Name	Concise Description	Original Request	Recommended Amount
<a href="#">ACORN Institute Canada</a>	Civic Engagement for Calgary Tenants in partnership with Calgary ACORN	ACORN Institute Canada will assist Calgary ACORN to expand its impact in Calgary's low-to-moderate income communities through the Civic Engagement for Calgary Tenants project. This project and workshop series will combat civic disengagement in Calgary communities by engaging and training new civic leaders on policy issues that matter to them.	\$30,000.00	\$30,000.00
Cochrane Activettes Foodbank	Upgrade and Expansion of Mobile Educational Greenhouse Programming-in partnership with Cochrane Cultivate Society	The Cochrane Activettes and Cultivate Cochrane Society (CCS) are together addressing food insecurity in Cochrane and area. The Activettes manage the Food Bank, while CCS runs a mobile educational greenhouse with facilitators who visit schools and attend community events. CCS empowers people to grow their own food, leading to long term food security. This grant will enable CCS to reach more children, youth, families and seniors, and expand to Indigenous partners.	\$53,800.00	\$53,800.00
Iyahrhe Nakoda Food Bank Society	INFBS Health & Wellness Food Hamper Program	INFBS Health & Wellness Program is an emergency food security program that provides monthly hampers to vulnerable clients of the Stoney Nakoda Nations in Morley, Eden Valley and Big Horn. The Program supports 715 children and 689 adults each month, addressing food insecurity by providing nutritious, healthy food hampers that include fresh produce, frozen meat, canned food and dry goods. INFBS is requesting funding to support ongoing operational costs.	\$82,000.00	\$82,000.00
Planned Lifetime Advocacy Network	Disability Without Poverty movement – Calgary Mobilization Initiative Phase 2 in partnership with Disability Without Poverty	Disability Without Poverty's initiative focusses on educating the average population on real-life issues of disability and poverty in Canada. Funding will be used to mobilize and popularize advocacy for harmonization of provincial government support with the new federal income supplement support in Calgary & Alberta. This includes reaching diverse racialized communities and Indigenous populations.	\$102,000.00	\$102,000.00
