BOARD CHAIR MESSAGE

"How fine it would be if a man about to make a will could go to a permanently enduring organization and say: 'Here is a large sum of money. I want to leave it to be used for the good of the community, but I have no way of knowing what will be the greatest need of the community 50 years from now, or even 10 years from now. Therefore, I place it in your hands, because you will be here, you and your successors, through the years, to determine what should be done with this sum to make it most useful for people of each succeeding generation."

—Fred Goff, lawyer and banker, founder of the first community foundation in North America, 1914

Dale Ens, Board Chair & Eva Friesen, President & CEO

Motivated by these same sentiments, The Calgary Foundation was founded in 1955 and has enjoyed 58 years of support by citizens of Calgary and area who love their communities and want to help make them great for everyone, forever.

This past year has been one of peak experiences both in contributions and in opportunities to serve. The legacy gift of the late Daryl K. Seaman (page four) is a testament to his passion for this city, his compassion for all who live it in, and his trust in The Calgary Foundation to ensure his legacy benefits communities for generations to come. The legacy gift of The Kahanoff Foundation (page four), to entrust The Calgary Foundation with ensuring the vision of Syd and Fern Kahanoff lives on through The Kahanoff Centre for Charitable Activities, is evidence that the original purpose of the community foundation is relevant today.

The Southern Alberta floods provided all citizens with the opportunity to serve – and what a great demonstration of service we experienced! The devastation was only surmounted by the outpouring of neighbourliness and compassion, evidenced by the volunteers who just never stopped.

After receiving many requests from corporations, donors and partners asking the Foundation if we would be the recipient of funds they wished to donate, The Calgary Foundation was compelled to establish the Flood Rebuilding Fund to support long-term recovery efforts in some of the hardest hit areas including Calgary, High River and

surrounding First Nation reserves. With a solid knowledge of community and a rich history of making effective grants to build community, The Calgary Foundation was well positioned to help. It started with a major donation from Suncor, and the CBC Radio Back in The Saddle Block Party, and it continues to grow.

A granting group which includes members of the Red Cross, United Way of Calgary and Area and leaders from many areas of community, will ensure that grants from the Flood Rebuilding Fund achieve maximum benefit with the shared goal of rebuilding our great communities.

The generosity of our donors amazes us. While we value donations to the Flood Rebuilding Fund, we encourage you to continue supporting those charitable organizations that you believe in and whose work you value. These organizations face challenging fundraising times, and count on your donations to continue their important work.

Thank you, Calgary, for the trust you placed in us to serve our community. Thank you to our donors, and corporate and community partners for the valuable working relationship we enjoy. Thank you, volunteers and board members for your talents, time and treasures that you bring to our mission. Thank you to our small but mighty staff for the excellent service you provide every day.

We love this community and will continue to work together to make it a strong, vibrant place for all.

For Calgary Forever.

This past year over 1,500 people entrusted their gift to The Calgary Foundation to benefit the community. For this trust placed in us, we are honoured and humbled. We are committed to being here through the years and ensuring the needs in our community are met.

DonorCentral

The Calgary Foundation offers DonorCentral, a free and secure online tracking system that allows you to interact with your Fund directly. Visit thecalgaryfoundation.org to learn more about creating a DonorCentral account.

KAHANOFF CENTRE

The Calgary Foundation is keeping philanthropists Syd and Fern Kahanoff's dream of supporting and assisting charities alive, as the new shareholder and steward of The Kahanoff Centre.

The Calgary Foundation has accepted The Kahanoff Foundation's gift of the Centre. "It is such an honour to receive this generous gift, which aligns so well with our mission of building a strong charitable sector," said The Calgary Foundation President & CEO, Eva Friesen.

The Kahanoff Centre, an 11-story office tower at 12 Ave and Centre St. South, provides office space to charitable organizations, along with meeting facilities. It assists charities in obtaining office space at below market rents.

"Syd and Fern Kahanoff wanted to give back to the community, while keeping a low profile," said Alan Moon, Board Chair at The Kahanoff Centre. "Syd's direction for

the Foundation emphasized innovative investments in the community. This provided the direction for the Foundation's management and a mandate to pursue projects like The Kahanoff Centre."

Syd and Fern were both born in Saskatchewan. Syd's work as a geophysicist and Fern's work as a lawyer helped to power and guide Voyager Petroleum. "Syd was a hard-driving, early-to-get-up-in-the-morning type," said Moon. "He was a brilliant, innovative businessman who wanted to give back."

Since Syd sold his oil company, Voyager Petroleum, in 1979 and established The Kahanoff Foundation with his wife, Fern, the Foundation has granted more than \$250 million to various community projects locally and abroad, including programs in Israel. Syd died in 1980. Fern died a decade later.

The largest gift in Canadian community foundation history to The Calgary Foundation is a fitting charitable expression for someone who believed inspired giving could transform people and the world.

"I think you want to feel you have been of good service not only to your community, but your country," he once said. Until his death four years ago, the larger-than-life Alberta sports and business legend was renowned for creating opportunities for others.

Charities in Calgary and area will receive almost \$5 million per year in grants from Seaman's Estate. Previously, the Moffatt family's gift of \$100 million to The Winnipeg Foundation in 2001 was the largest gift to a community foundation in Canada.

The Calgary Foundation's celebration at the Calgary TELUS Convention Centre in May showcased Doc's distinguished legacy and attracted more than 500 attendees. "The Calgary Foundation will use this increased grantmaking capacity to support charitable organizations across all sectors," said Foundation President & CEO, Eva Friesen.

Doc was a huge hockey fan and, aside from being a Founding Governor of the Hockey Canada Foundation and an original Calgary Flames owner, he established a remarkable amateur sport and hockey Fund. The Calgary Foundation administers the \$10-million Daryl K. Seaman Canadian Hockey Fund, which is an endowment with grants supporting all aspects of amateur ice hockey on a nation-wide basis.

EVENT PARTNERS

DARYL K. 'DOC' SEAMAN

Daryl K. (Doc) Seaman's record-breaking \$117 million gift, like the man, is a giant on the Canadian philanthropic landscape.

The Calgary Foundation manages over 1000 Funds to realize the vision and commitment of donors to all sectors of our community.

Funds at The Calgary Foundation are established in a broad range of categories: Donor Advised, Donor Designated, Flow Through, Community, Field of Interest, Managed, Student Awards, Charitable Organization and Memorial Funds.

The Calgary Foundation believes in the expertise and creativity of the organizations we support. We convene partnerships with the charitable organizations to build a strong and sustainable community that serves to support Calgary and area.

The Calgary Foundation's
COMMUNITY FUND harnesses
the generosity of a broad range
of donors, to collectively support
emerging needs and innovations
in the community.

Donors have the option of giving directly to the Community Fund, or establishing a Named Fund within the Community Fund. Donations to the Community Fund give the Foundation the greatest flexibility to respond to current and emerging community needs.

By dedicating these unrestricted funds to the Community Fund, donors support a range of granting programs at the Foundation, including: Community Grants, Proactive Grants, Organization Transformation Grants, Small Grants and Grassroots Grants.

NAMED FUNDS IN THE COMMUNITY FUND

A Named Fund within the Community Fund can be named after the donor or in honour of specific individuals or groups.

Southwood Community Association	Take Back the Park Project	\$600
Volunteer Group of Residents from Baker House	Sunshine Community Garden	\$500
Tuscany Community Association	Tuscany Harvest Festival	\$525
Volunteer Group of Dover Youth	Embracing Dover's Cultural Diversity Photo Art Project	\$600

FUNDS established at
The Calgary Foundation
contribute to the
well-being and vitality
of Calgary and area
by supporting and
strengthening the
charitable sector
through impactful
grants.

The most rewarding philanthropy is thoughtful and strategic. The Calgary Foundation takes pride in our flexibility and adaptability, providing customized services that meet the needs of each fundholder. Some fundholders seek guidance in their giving, whereas others are self-directed. Some fundholders prefer to be fully engaged in grantmaking, while others take a hands-off approach... we support them all.

The majority of Funds established at the Foundation are **ENDOWMENT FUNDS**, which use the generated income to make grants to charitable organizations.

DONOR ADVISED FUNDS are established by donors who wish to be involved in recommending charitable organizations to receive grants from the Fund.

DONOR DESIGNATED FUNDS are established by donors who wish to support specific charitable organizations in perpetuity.

FIELD OF INTEREST FUNDS provide donors with the opportunity to direct their giving to a specific area of interest. The Calgary Foundation makes grants to charitable organizations best able to meet needs in the

chosen field.

The Foundation also supports FLOWTHROUGH FUNDS, which are not endowed and can take the form of Donor Advised or Donor Designated Funds.

Annual Report

The following is α list of Donor Advised, Donor Designated and Field of Interest Funds, along with grants made from the Funds.

Fund		1	March 31, 2013

INDEPENDENT AUDITORS' REPORT TO THE DIRECTORS

We have audited the accompanying consolidated financial statements of The Calgary Foundation which comprise the consolidated statements of financial position as at March 31, 2013, March 31, 2012 and April 1, 2011, the consolidated statements of operations and changes in Foundation funds and cash flows for the years ended March 31, 2013 and March 31, 2012, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained in our audits is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these consolidated financial statements present fairly, in all material respects, the consolidated financial position of The Calgary Foundation as at March 31, 2013, March 31, 2012 and April 1, 2011, and its consolidated results of operations and its consolidated cash flows for the years ended March 31, 2013 and March 31, 2012 in accordance with Canadian accounting standards for not-for-profit organizations.

See accompanying notes to the consolidated financial statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1. The Calgary Foundation (the "Foundation")

(a) Description of the Foundation: The Calgary Foundation (the "Foundation") was incorporated in 1955 by The Calgary Foundation Act of the Legislative Assembly of Alberta. The Foundation is a registered charity classified as a public foundation under the Income Tax Act (Canada) and accordingly is exempt from income taxes and can issue donation receipts for income tax purposes.

On April 1, 2012, the Foundation adopted Canadian accounting standards for Not-For-Profit Organizations in Part III of the Canadian Institute of Chartered Accountants ("CICA") Handbook. These are the first financial statements prepared in accordance with these Standards.

In accordance with the transitional provisions in Not-For-Profit Standards, the Foundation has adopted the changes retrospectively, subject to certain exemptions allowed under these standards. The transition date is April 1, 2011 and all comparative information provided has been presented by applying these Not-For-Profit Standards.

There have been no transitional adjustments to the consolidated statement of operations and changes in Foundation funds for the year ended March 31, 2013 or net assets as at April 1, 2011 as a result of the transition to Not-For-Profit Standards.

(b) Foundation Funds

Community & Field of Interest • These are endowment funds from which grants are directed to new and emerging needs of the community at the discretion of the Foundation. Field of Interest Fund grants are restricted to a charitable area, population or region at the time the Fund is established.

Donor Advised & Designated • Donor Advised Funds are endowment funds from which grants are directed to charitable organizations with the advice of donors. Designated Funds are endowment funds from which grants are directed to charitable organizations designated at the time the Fund is established.

Flowthrough • These are funds from which grants are directed to charitable organizations with the advice of donors. These funds are not maintained in perpetuity.

- (c) Managed Funds: These are funds owned by other charitable organizations and pooled with Foundation assets for investment purposes.
- (d) Preservation of purchasing power: To support the policy of preserving the purchasing power of the Permanent Endowment Funds, the Foundation limits the amount of annual grants to a percentage of the market value of each Fund.

2. Significant accounting policies

(a) Principles of consolidation: The consolidated financial statements include the financial statements of the Foundation and The Calgary Foundation Investment Trust. The Calgary Foundation Investment Trust is a trust established on August 6, 2009 whose sole beneficiary is the Foundation. On consolidation, all transactions and balances between the Foundation and The Calgary Foundation Investment Trust have been eliminated.

The Foundation is the beneficial owner of all of the shares of certain other registered charities. The Foundation has the ability to appoint the majority of these organizations' boards of directors. The accounts of these controlled organizations have not been consolidated with the accounts of the Foundation. Instead, the Foundation discloses financial information about these controlled organizations as specified in the CICA Handbook (note 12). These controlled organizations follow the deferral method of accounting for contributions.

(b) Financial instruments: Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Foundation has not elected to carry any such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Foundation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Foundation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

- (c) Foreign currency translation: Investments and accrued income receivable denominated in foreign currencies are translated to Canadian dollars at the exchange rate in effect on the date of the statement of financial position. Investment income denominated in foreign currencies is translated to Canadian dollars at the exchange rate in effect when realized.
- (d) Revenue recognition: Interest on bonds and short-term notes are recorded on an accrual basis. Dividends that have been declared are recorded as income on the date of record set for the dividend. Realized and unrealized capital gains and losses are recorded in the statement of operations when earned.
- (e) Contributions: The Foundation follows the restricted fund method of accounting for endowment and flowthrough contributions. Contributions are recognized when the amount can be reasonably estimated and collection is assured. Flowthrough contributions, not distributed in the year of receipt, are recorded as a liability until the grants are made.
- (f) Administrative assets: The Foundation capitalizes and amortizes administrative assets. The assets are amortized over their useful lives of 3 to 5 years using the straight-line method of amortization.
- (g) Cash and cash equivalents: Cash and cash equivalents comprise cash on hand and temporary investments with a maturity date of three months or less.
- (h) Investments: Investments are recognized in the statement of financial position at fair value as established by the closing bid price on a recognized public stock exchange. For investments not quoted on the active market, the Foundation assesses and determines fair value based on available market information.
- (i) Use of estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Estimates include the valuation of investments and the recoverability and useful life of administrative assets. Consequently, actual results may differ from those estimates.
- (j) Contributed services: A substantial number of volunteers contribute a significant amount of time each year. Because of the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

4. Deposit for real estate acquisition

The deposit for real estate acquisition consists of a deposit relating to a purchase and sale agreement dated September 14, 2010 that closed in the third quarter of 2011. The purchase of the historic property was the beginning of a project to create an integrated, mixed-use 'hub' that provides a dynamic and collaborative environment focused on the incubation and advancement of professional arts practice, social innovation and community development. The project is a collaboration between the Foundation and the Calgary Arts Development Authority ("CADA"), the City of Calgary's designated authority for the development of the arts in Calgary and the municipal granting agency for the not-for-profit arts sector.

During 2012, the Foundation assigned the purchase and sale agreement to cSPACE Projects ("cSPACE"), a non-profit company established by CADA to promote, coordinate and facilitate real estate projects that establish affordable facilities, accommodations and education opportunities for artists and registered non-profit organizations operating in the arts or community sector. The Foundation granted the deposit for real estate acquisition to the City of Calgary, a municipality qualified to receive a grant from the Foundation, for use by cSPACE in the project.

In addition, the Foundation has agreed to grant 3 million to the project over 6 years. This grant is recorded in the financial statements as a grant expense and a non-current grant payable.

5. Loan receivable

	March 31, 2013	March 31, 2012	April 1, 2011
Loan to cSPACE repayable in full November 2016			
with interest at 4.75% per annum	\$2,940,576	\$7,940,576	\$ —
Current portion of loan receivable	_	(5,000,000)	_
	\$2,940,576	\$2,940,576	\$ —

This loan is secured by a mortgage that is registered against the title to the property.

6. Investments

The Foundation records its investments at fair value. The table at right is a summary of the fair value of the Foundation's investments.

	-	March 31, 2013	March 31, 2012	April 1, 2011
Bonds and	Investment grade	\$167,577,322	\$ 85,404,359	\$ 74,780,492
debentures	High yield	26,530,247	21,187,252	19,999,485
		194,107,569	106,591,611	94,779,977
Stocks	Canada	146,628,039	137,712,878	135,643,998
	International	169,544,463	133,775,671	114,160,142
		316,172,502	271,488,549	249,804,140
Real estate		9,008,257	4,637,020	2,854,953
		\$519,288,328	\$382,717,180	\$347,439,070

7. Other assets

	March 31, 2013	March 31, 2012	April 1, 2011
Cash surrender value of donated life insurance policies	\$ 897,382	\$856,771	\$790,281
Miscellaneous	41,968	41,968	53,968
Administrative assets, net of accumulated amortization of			
\$405,605 (2012 - \$402,109, 2011 - \$383,218)	117,735	59,761	39,119
	\$1,057,085	\$958,500	\$883,368

The Foundation is the beneficiary named under whole life and term life insurance policies as follows:

	March 31, 2013			March 31, 2012	April 1, 2011
	Premiums paid	Cash surrender value	Face value	Face value	Face value
Whole life policies	\$157,431	\$897,382	\$15,229,859	\$15,198,903	\$15,106,905
Term life policies	17,400	_	673,000	673,000	673,000
	\$174,831	\$897,382	\$15,902,859	\$15,871,903	\$15,779,905

The cash surrender value is recorded as an asset. As the realizable amount in excess of the cash surrender value is not certain, the Foundation will record the benefits when the receipt of the proceeds can be estimated and collection is reasonably assured.

8. Foundation Funds

The capital of the Foundation is comprised of Funds for which the Board seeks varying degrees of donor input on grant distribution.

Deferred flowthrough grants represent flowthrough contributions received prior to March 31, 2013 and not granted at fiscal year end, net of investment gains and losses and service costs, if applicable. This amount is deferred and is recorded as a liability until the grants are designated and paid.

	March 31, 2013	March 31, 2012	April 1, 2011

10. Commitments

The Calgary Foundation Investment Trust ("the Trust") entered into an agreement to invest up to \$10 million in a real estate investment partnership. The terms of the partnership agreement generally state that if the partnership has not called for the full amount of the commitment by February 2013, the Trust is not obligated to invest the

balance of the commitment. At fiscal year end, the Foundation had invested \$8.6 million, market value \$9.0 million (March 31, 2012 - \$4.5 million, market value \$4.6 million, April 1, 2011 - \$3.0 million, market value \$2.9 million.) (See Note 6.)

The Foundation rents office space under operating leases, the future annual payments under the leases are estimated to be:

s, the Trust is not obligated to in	VC5	illo
2014	\$	330,000
2015		330,000
2016		330,000
2017		330,000
2018 (to September 30, 2017)		170,000
	\$1	490 000

11. Service Costs

The Foundation recovers service costs from Community & Field of Interest and Donor Advised & Designated Funds by way of a cost recovery based on the market value of each Fund. Service costs are charged to Managed Funds in accordance with the agreements. Expenses incurred for a specific Fund are charged to that

	March 31, 2013	March 31, 2012
Salaries and benefits	\$2,189,664	\$1,915,105

	\$4.310.261	\$4.248.268

12. Controlled organizations

(a) Esther Honens Calgary International Piano Competition
Foundation: The Foundation is the beneficial owner of all the shares of the Esther Honens Calgary International Piano Competition Foundation ("Competition Foundation") which is responsible for a piano competition held every three years. The Competition

Esther Honens Calgary International Piano Competition Foundation						
As at and for the year ended	December 31, 2012	December 31, 2011				
Revenues	\$2,379,857	\$1,909,969				
Revenues from the three						
endowment funds	337,061	376,080				
Expenses	2,835,059	1,510,967				
Assets	900,279	1,123,264				
Liabilities	421,971	189,754				
Shareholders' equity	478,308	933,510				
	-					

Foundation was incorporated under the Companies Act and has been granted tax exempt status as a registered charity under paragraph 149(1)(f) of the Income Tax Act. The Foundation's Esther Honens International Piano Competition Foundation Fund, Honens Future Growth Fund and American Friends of Canada Fund are Endowment Funds that provide annual revenue to the Competition Foundation. At March 31, 2013 the market value of the three funds totalled \$7.6 million (March 31, 2012 - \$7.2 million, April 1, 2011 - \$7.6 million).

(b) Eleanor Luxton Historical Foundation: The Foundation is the beneficial owner of all the shares of the Eleanor Luxton Historical Foundation ("Luxton Foundation"). The Luxton Foundation was incorporated under the Companies Act and has been granted tax exempt status as a registered charity under paragraph 149(1) (f) of the Income Tax Act. The

As at and for the year ended	December 31, 2012	December 31, 2011						
Revenues	\$ 317,975	\$292,354						
Revenues from the								
endowment fund	182,595	212,405						
Expenses	274,027	307,897						
Assets	1,024,745	973,900						
Liabilities	39,047	32,150						
Net assets	985,698	941,750						

purpose of the Luxton Foundation is to preserve and promote the historical real estate and artifacts relating to the original settlements of the Banff area. The Foundation holds the Luxton Historical Foundation Fund, which provides annual revenue to support the Luxton Foundation. At March 31, 2013 the Luxton Historical Foundation Fund had a market value of \$4.2 million (March 31, 2012 - \$4.1 million, April 1, 2011 - \$4.2 million).

(c) The Kahanoff Centre for Charitable Activities: On July 4, 2012, the Foundation received a gift of the beneficial ownership of all of the shares of The Kahanoff Centre for Charitable Activities ("Kahanoff Centre"). The Kahanoff Centre provides office and conference space to Calgary not-for-profit organizations at discounted rates,

The Kahanoff Centre for Charitable Activities								
As at and for the year ended	December 31, 2012	December 31, 2011						
Revenues	\$ 2,426,689	\$ 2,292,162

to the benefit of the Calgary community. The Kahanoff Centre was incorporated under the Companies Act and has been granted tax exempt status as a registered charity under paragraph 149(1)(f) of the Income Tax Act. In the Foundation's fiscal year ended March 31, 2013, grants totalling \$100,000 were made from Community and Field of Interest Funds to The Kahanoff Centre (2012 - nil).

CONSOLIDATED FINANCIAL STATEMENTS

13. Significantly influenced organization

Calgary Stampede Foundation: The Foundation is the beneficial owner of one of the two authorized, issued and outstanding shares of the Calgary Stampede Foundation ("Stampede Foundation"). The Stampede Foundation was incorporated under the Companies Act and has been granted tax exempt status as a registered charity under paragraph 149(1)(f) of the Income Tax Act. The Foundation has a right to appoint a minority of the Stampede Foundation's board of directors. The Stampede Foundation's objective is to establish programs for the benefit of young residents of Southern Alberta to advance their knowledge and understanding of the history, heritage, traditions and culture of Alberta.

Grants totalling \$259,184 were made by the Foundation from Donor Advised & Designated and Flowthrough Funds to the Stampede Foundation (2012 - \$35,480).

14. Fundraising expenses and other

As required under Section 7(2) of the Regulations of the Charitable Fundraising Act of Alberta, the Foundation discloses that the service costs incurred for the purposes of soliciting contributions were \$1,882 (2012 - \$21,251) The total amount paid as remuneration to employees of the Foundation whose principal duties involve fundraising was \$165,102 (2012 - \$130,744).

No single disposition of contributions equalled or exceeded 10% of the gross contributions received in either fiscal 2013 or 2012.

15. Financial risk management

The Foundation has exposure to the following risks from its use of financial instruments:

• Credit risk • Liquidity risk • Market risk

The Foundation adheres to Statements of Investment Policy, approved by the Board of Directors, which outline the objectives, policies and measures related to its investing activities. These policies prescribe qualitative and quantitative parameters around the investments held by the Foundation in its pooled funds in order to moderate the financial risks. The Board of Directors is accountable for the establishment and oversight of the Foundation's risk management framework.

(a) Credit risk: Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment resulting in a financial loss to the Foundation. The fair value of a financial instrument takes into account the credit rating of its issuer. The Foundation's investments in cash equivalents and bonds and debentures are subject to credit risk. The maximum exposure to credit risk on these instruments is their carrying value. The Foundation manages the risk by ensuring compliance with the limits to the credit exposure for the pooled funds and engaging a professional investment manager to actively evaluate the creditworthiness of the issuers of the high yield debt. Cash equivalents are substantially all Government of Canada Treasury Bills. As at fiscal year end, the Foundation's credit exposures in its fixed income portfolios were as follows:

	Pe	Percentage of the market value of the fixed income portfolios					
	March 3	31, 2013	March 3	31, 2012	April 1, 2011		
	Investment	High yield	Investment	High yield	Investment	High yield	
Credit rating	grade bond	bond	grade bond	bond	grade bond	bond	
Bonds and deben-							
tures, at fair value	\$167,577,322	\$26,530,247	\$85,404,359	\$21,187,252	\$74,780,492	\$19,999,485	
AAA	37.9%	_	48.7%	_	50.6%	7.7%	
AA	39.0%	_	23.6%	_	23.3%	_	
A	18.7%	1.2%	20.9%	_	19.8%	2.3%	
BBB	4.4%	3.6%	6.8%	9.6%	6.3%	14.6%	
BB	_	26.1%	_	26.6%	_	30.4%	
<bb< td=""><td>_</td><td>69.1%</td><td>_</td><td>63.8%</td><td>_</td><td>45.0%</td></bb<>	_	69.1%	_	63.8%	_	45.0%	

The management of credit risk has not changed materially during the year.

- (b) Liquidity risk: Liquidity risk is the risk that the Foundation will not be able to meet its liabilities as they fall due. Substantially all of the Foundation's assets are investments traded in active markets that can be readily liquidated and therefore the Foundation's liquidity risk is considered minimal. In addition, the Foundation aims to retain sufficient cash positions to manage liquidity. The Foundation's exposure to and management of liquidity risk has not changed materially during the year.
- (c) Market risk: Market risk is the risk that changes in market prices, as a result of changes in foreign exchange rates, interest rates and equity prices, will affect the Foundation's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximizing the return.
- (i) Currency risk: Investments in securities denominated in foreign currencies are exposed to currency risk due to fluctuations in foreign exchange rates. The Foundation is exposed to currency risk on its foreign market common stock and its foreign market bonds and debentures, as the prices denominated in foreign currencies are converted to Canadian dollars in determining fair value. The objective of the Foundation's Statements of Investment Policy is to control currency risk by limiting the allocation to non-Canadian denominated securities and maintaining a geographically diversified portfolio.

Currency	Percentage of the market value of investments					
	March 31, 2013	March 31, 2013 March, 31, 2012 April 1, 2				
Investments, at fair value	\$519,288,328	\$382,717,180	\$347,439,070			
Canadian dollar	64.7%	63.1%	64.6%			
US dollar	20.4%	22.4%	19.8%			
Euro	3.1%	4.5%	4.6%			
British pound	2.5%	2.8%	3.5%			
Japanese yen	2.3%	3.0%	2.6%			
Other	7.0%	4.2%	4.9%			

Total investments held in foreign currencies as at March 31, 2013 was \$183,181,011, 35.3% of investments (March 31, 2012 - \$141,120,014, 36.9% of investments, April 1, 2011 - \$122,908,779, 35.4% of investments). The most significant exposure to currency risk is \$105,748,506, 20.4% of investments (March 31, 2012 - \$85,706,939, 22.4% of investments, April 1, 2011 - 63,198,821, 18.2% of investments) denominated in US dollars. A hypothetical 10 percent weakening (strengthening) of the Canadian dollar against the US dollar at March 31, 2013 would have increased (decreased) net assets and investment income for the year by \$10.6 million (2012 - \$8.6 million). This analysis assumes that all other variables, in particular interest rates, remained constant.

(ii) Interest rate risk: Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of interest bearing financial instruments held by the Foundation. Duration is α common measure of the sensitivity of the price of α bond to α change in interest rates. At fiscal year end, the bond portfolios had an average duration as follows:

	March 31, 2013		March 31, 2012		April 1, 2011	
	Investment grade bond	High yield bond	Investment grade bond	High yield bond	Investment grade bond	High yield bond
Bonds and debentures, at fair value	\$167,577,322	\$26,530,247	\$85,404,359	\$21,187,252	\$74,780,492	\$19,999,485
Duration (years)	3.9	3.9	6.7	4.4	6.0	3.6
Assumed increase in interest rates	+1%	+1%	+1%	+1%	+1%	+1%
Approximate resulting decrease in value	\$(6.5 million)	\$(1.0 million)	\$(5.7 million)	\$(0.9 million)	\$(4.5 million)	\$(0.7 million)
Approximate resulting percentage decrease	(3.9%)	(3.9%)	(6.7%)	(4.4%)	(6.0%)	(3.6%)
Assumed decrease in interest rates	-1%	-1%	-1%	-1%	-1%	-1%
Approximate resulting increase in value	\$6.5 million	\$1.0 million	\$5.7 million	\$0.9 million	\$4.5 million	\$0.7 million
Approximate resulting percentage increase	3.9%	3.9%	6.7%	4.4%	6.0%	3.6%

(iii) Equity price risk: Equity price risk is the risk that the value of a financial instrument will fluctuate due to changes in equity markets. The Foundation is exposed to equity price risk on its equity portfolio. The Statements of Investment Policy apply to all investments held in the Foundation's pooled funds and it includes restrictions regarding the minimum and maximum amount of equities, bonds, and cash and cash equivalents. The diversification across various asset classes is expected to decrease the volatility of portfolio returns due to the lack of correlation between the returns of the various asset classes.

Management's discussion and analysis ("MD&A") is provided to enable a reader to assess our financial condition and results of operations for the fiscal year ended March 31, 2013, compared to the preceding year. This MD&A should be read in conjunction with our audited financial statements and related notes dated June 28, 2013. All amounts are based on financial statements prepared in accordance with Canadian accounting standards for not-for-profit entities except portfolio returns which are based on performance reporting methodology. The Calgary Foundation ("the Foundation") operates in accordance with The Calgary Foundation Act (Alberta, 1955, 2000) and bylaws and within the regulatory framework of the Income Tax Act (Canada), the Canada Revenue Agency ("CRA") guidelines and the Charitable Fund-raising Act and Regulations (Alberta). The Foundation has adopted Volunteer Canada's Code for Volunteer Involvement, Community Foundations of Canada's ("CFC") criteria for membership and has undertaken the application process to be accredited under Imagine Canada's Standards Program.

Forward-looking statements

This report contains forward-looking statements about certain matters that are, by their nature, subject to many risks and uncertainties which may cause actual results to differ materially from the statements made herein. Forward-looking statements include, but are not limited to, objectives, strategies, initiatives, and the outlook for the Foundation. Risks and uncertainties include, but are not limited to, changing markets, legislation, demographics and general economic factors or conditions, and other risks, known or unknown.

VISION AND MISSION

The Calgary Foundation exists to nurture a healthy, vibrant, giving and caring community that values diversity and supports all people, a community where citizens are engaged, and where a strong and sustainable charitable sector serves the current and emerging needs of the community.

To achieve this vision, The Calgary Foundation:

- inspires, promotes and facilitates philanthropy to benefit the community broadly and specifically to build an endowment that remains in perpetuity for the benefit of the community.
- builds a healthy community by identifying needs and addressing community issues.
- fosters partnerships and engages citizens in its role as a catalyst and a convener, a meeting place.
- supports and strengthens the charitable sector by providing grants from an extensive base of knowledge of the entire charitable sector.

STRATEGY AND KEY RESULT AREAS

INVESTING IN THE COMMUNITY

The Foundation invests in the community in two primary ways – through grants and proactive community leadership.

Grants

Through numerous granting streams, the Foundation supports the whole of the charitable sector to address both ongoing and emerging community needs. As needs change, so do the granting programs. Grants are both responsive to requests and proactive, based on ongoing research and hands-on engagement with the community. Grant recommendations and approvals include input from donors and over 70 community volunteers. Also influencing granting activities are the available financial resources. As these continue to grow, some existing programs will also grow. The Foundation will also continue to develop new ways to support the community, often through collaborations with other funders and philanthropists. The Foundation remains committed to ensuring that both large and small grants will be made to all parts of the charitable sector.

In fiscal 2013, the Foundation granted 34.6 m (2012, 31.9 m).

MANAGEMENT DISCUSSION & ANALYSIS

PROACTIVE COMMUNITY LEADERSHIP

Knowledge of community needs and the work of charitable organizations across all sectors, derived from 58 years of experience, have positioned the Foundation to take a proactive leadership role in community building. Donors and charitable organizations have come to expect this from the Foundation. Through partnerships with others, and citizen engagement, the Foundation continued to address community issues for the benefit of all. This is the direct charitable activity of the Foundation. Throughout the year it included:

Calgary's Vital Signs®

Calgary's Vital Signs® is an annual check-up that measures the vitality of Calgary, identifies significant trends, and assigns grades in areas critical to the quality of life in Calgary. Engagement of Calgarians is key to producing the Report which promotes philanthropy and engages citizens by asking them to identify needs in the community and provide feedback on how to address these issues. Published annually since 2007, in 2012 over 1000 Calgarians provided comments in 14 key issue areas of need. The invitation to grade the 2013 Vital Signs survey has been distributed, and results will be published in the Fall of 2013.

Recognizing a need for public dialogue stemming from the Vital Signs® Report, two Vital Conversations events were presented in partnership with the Calgary Public Library including The Future for Calgary Parks, and Evaluating Your Energy Footprint.

In partnership with Youth Central, the Foundation launched the Youth Vital Signs Report which was published as an insert in a weekly magazine. The Report inspired Youth Vital Conversations, a new speaker series to engage young Calgarians. To date, one event has been successfully held, with two more planned in the next fiscal year.

Forever Funds Signature Projects

Through the **Forever Funds Initiative** the Foundation continued to profile five areas of emerging needs in our community, Arts and Heritage, Environment, Mental Health, Seniors, and Diversity and Inclusion. In addition, The Foundation joined a national partnership with Community Foundations of Canada and the Governor General to launch a 'Smart & Caring Communities' initiative. This past year much of the work was directed to forming collaborations to identify signature projects that would transform our community, and building partnerships around a common goal for the these priority areas. In two areas, Arts and Heritage and Environment signature projects are underway.

• Arts Incubator

Following the development of a strategic partnership between the Foundation and Calgary Arts Development Authority, cSPACE Projects is currently transforming the historic King Edward School into an arts incubator. The facility will provide a collaborative gathering space for professional artists that inspires social innovation and encourages community development and will provide affordable studio space for individual artists and small collectives. The first ten anchor tenants have been selected. Design of the space is being developed and additional community investment opportunities will be presented to potential supporters.

• Harvie Passage (on the Bow River)

The Bow River flowed freely for the first time in 100 years in 2012, thanks to the redevelopment of the weir, originally built in 1904 to divert water for irrigation. Though redeveloped in 1975, the weir was a hazard that claimed the lives of numerous victims.

Called Harvie Passage in honour of Calgary philanthropist Don Harvie, the multi-million dollar project now provides Calgarians with a series of pools and rapids that are safer for people and improve natural movement of fish along the river.

To improve safety, new signs have been posted at Harvie Passage and damage indicates the main charge of the Southern Alberta floods caused significant damage indicates the main charge. Community Knowledge Centre

Work continues in the development of a new online tool - the Community Knowledge Centre ("CKC") that will bring to life the work of non-profit organizations by creating a central site to showcase the innovative and effective solutions to community issues from a broad range of organizations. CKC positions the Foundation as a community leader and allows us to live up to our reputation as

a valued resource for knowledge of immediate community needs. Workshops are being hosted to introduce charitable organizations to CKC, and communications assistance is being provided to organizations in the development of their CKC profile. Website testing will occur in early Fall, 2013.

Picture a Province

Following up on a 2006 event with the same name, the Foundation and four community partners presented Picture a Province 2012: Informed Philanthropy for a Sustainable Alberta. More than 85 environmental grantmakers and philanthropists gathered in Calgary for a one-day event designed to strengthen leadership and improve both the amount and effectiveness of philanthropic investment in the future of Alberta's environment. The program examined Alberta's environmental challenges and opportunities by featuring leading thinkers on land and water use, public attitudes, policy directions, and the characteristics of Alberta's environmental non-governmental organizations. The event concluded with a consensus that to effectively address the complex environmental issues in Alberta, significant collaborations are required among environmental non-governmental organizations and also among funders. Future gatherings are being considered to gain traction on the conclusions of the event.

GROWING THE ENDOWMENT

Growing the endowment for the benefit of the community continues to be one of the overarching objectives of the Foundation. How the Foundation grows the endowment differentiates it in the charitable sector. It does not mount fundraising campaigns or events. Rather it seeks to inspire giving through results of its work in the community and forging relationships between donors and the causes they care about.

The Foundation has three primary "channels" that have engendered ongoing enduring contributions: • Professional Advisors • Existing Donors • Potential Donors.

Building relationships with and enhancing their knowledge of the Foundation's services and structures has enabled professionals working in the financial planning, estate and tax law, accounting, insurance, wealth management and investment planning fields to partner with the Foundation in support of their clients' charitable work. By informing these conversations, professional advisors have been, and continue to be, a significant source for promoting philanthropy in the community. Demonstrating sound stewardship of the assets, knowledgeable grantmaking and community leadership has built, and continues to build, the confidence of existing donors as evidenced by the significant percentage of repeat donations. By expanding our relationships from the founders to involving next generation family members, the potential to leverage the broad range of services and complex gifting knowledge in the Foundation can be enhanced. Satisfied donors and engaged professional advisors have been the largest source of referrals of new prospects that have sought out the Foundation's services in creating family legacies and ultimately satisfying societal need.

The investments of the Primary Endowment Fund are managed to achieve an average annual rate of return that is adequate to retain the purchasing power of a donation (i.e. address inflation), provide grants to registered charitable organizations and cover the costs of administering the Foundation. The Endowment Fund is invested for the long term and has low and predictable liquidity requirements. As a result, we can invest in multiple asset classes, do not have to sell assets at inopportune times and potentially can acquire assets at attractive valuations.

Investment of the endowment continues to be a major focus area as we strive to achieve the optimum investment return/risk balance, and achieve portfolio results that build donor confidence and attain performance objectives.

The primary endowment portfolio has struggled to meet this long term investment objective consistently. Management, in collaboration with our investment consultant and the Investment Committee, have undertaken a review of the endowment portfolio's current asset mix.

The impact of this work has resulted in a recommendation to the Board for a significant shift in asset mix. The new asset mix includes a 30% allocation to alternative investments. It is anticipated that a combined allocation to alternatives (infrastructure, private equity and real estate) with their built-in inflation hedges and low correlations to traditional markets will offer the Foundation a lower volatility solution in generating returns and incomes that will improve the risk and return characteristics of the primary endowment portfolio, and thereby move the Foundation closer to achieving its long term investment objective.

Moving beyond traditional investments, the Foundation explored Mission Aligned Investments ("MAI") this past fiscal year as a way to leverage a portion of the endowment for both a financial and mission return on investment.

The investment by way of a loan to cSPACE in 2011 to purchase the historic King Edward School for an arts incubator was a first step into this territory. A Mission-Aligned Investment sub-committee has been created and is exploring this new direction, one of the first of its kind in Canada.

The grant distribution/preservation of purchasing power policy is to grant a percentage of the market value of the endowment. The Board reviews this disbursement percentage annually. The Foundation disbursed 5% of the market value of the endowment in fiscal 2012 but due to reduced mid-term return expectations in the equity markets, current low interest rates on fixed income instruments and the ongoing uncertainty, the distribution percentage has been reduced to 4.5%for the fiscal year ending March 31, 2013. The Board made a further decision in March 2013 to consider an additional reduction in the distribution policy to between 4.0% and 4.5% effective April 2014.

BUILDING CONFIDENCE AND PROFILE

In order to partner with other organizations in granting and community leadership, engage donors in philanthropy and grow the assets of the Foundation, the building of confidence in, and the expanding of the profile of the Foundation is a prerequisite.

2013 Events:

Vital City • Vital City celebrates philanthropy by gathering community leaders, local non-profit organizations, donors and engaged citizens for an overview of the charitable sector and a year in review of the Foundation. The 2012 event, presented to an audience of 600, was themed around civic engagement and the Mayor's '3 things for Calgary' initiative. The 2013 Vital City event will highlight 'Smart & Caring Communities', a new initiative developed in partnership between the Governor General and Community Foundations of Canada.

Jane's Walk • Over 900 Calgarians (a 33% increase over 2011) took part in the 2012 Jane's Walk that offered 38 free walking tours in neighbourhoods in every quadrant of Calgary. Celebrating the legacy of Jane Jacobs, the walks celebrate local history, and encourage connections between Calgarians. Part of an international initiative, Jane's Walk has been coordinated locally by the Foundation since 2008 and will continue to be presented annually by the Foundation.

2013 Communications Vehicles:

Social Media • Social media, including Twitter and Facebook, were used for event and publication promotion. As of March 2013, the Foundation had over 4,700 followers on Twitter (70 % increase over 2012 statistics) and over 350 'friends' on Facebook. The Foundation tweets on a daily basis to promote upcoming events, support partner organizations and generate conversation with our followers.

Website • A new website was developed to be interactive, easy to navigate and allow integration of new social media networks. From April 2012 to March 2013 the Foundation's website saw 29,590 unique visits with the largest percentage of visitors viewing the 'Grants' section.

Printed Publications • The Vital Voice newsletter, Annual Report and Vital Signs Report were published in 2012 and distributed to over 100,000 stakeholders. A new partnership has been developed with a media partner to produce a new magazine of the Foundation that will profile community achievements and the people that contribute to building a strong, compassionate community. The magazine will be published two times a year.

CAPABILITY TO DELIVER RESULTS AND HISTORICAL ANALYSIS

Assets

The Foundation's assets under administration as at March 31, 2013 totalled \$632.4 m as compared to \$424.7 m at March 31, 2012. The March 31, 2013 figure represents a 49% increase from the prior year-end and compares to an increase of 7% in the year ended March 31, 2012.

Of the total assets under administration at fiscal year-end, \$18.5 m (2012 – \$15.9 m) of assets represent Managed Funds. Managed Funds are endowments owned by other charitable organizations. The Managed Funds' liability is represented on the Consolidated Statement of Financial Position as a claim on the Foundation's primary endowment portfolio by these other charitable organiza-

TOTAL ASSETS AT FISCAL YEAR END

(millions of dollars)

The distribution of the Foundation-owned fund balances amongst Community and Field of Interest, Donor Advised and Designated and Flowthrough are as follows:

FUND BALANCES

(millions of dollars)

Investment

The total assets of the Foundation's Primary Endowment Fund ("Fund") at March 31, 2013 were \$476.9 m (2012 - \$368.1 m). The Fund is managed by external investment managers in accordance with the Statement of Investment Policy and Procedures ("SIP"). The principal purpose of the SIP is to formulate guidelines for the prudent investment of the Fund. The SIP establishes and communicates the Foundation's investment objectives and principal governance policies.

The Foundation's primary investment objective is to earn a rate of return over the long term that preserves the real purchasing power of the Fund's assets. The long-term average real rate of return objective, as measured over moving 10-year periods, is expected to be 5.0%. In order to achieve this long term return objective, the Foundation employs a total return investment strategy that adds capital gains to the list of potential income sources. In implementing such $\boldsymbol{\alpha}$ strategy, the Foundation recognizes and acknowledges some risk must be assumed in order to achieve the long-term investment objectives of the portfolio, and there are uncertainties and complexities associated with investing in capital markets.

The Foundation accepts that the greatest risk is the probability of failing to preserve the real purchasing power for the Fund's assets over the time horizon. In establishing the risk tolerances for the Fund, the Foundation's ability to withstand short and intermediate term variability was considered. The Foundation's prospects for the future, investment time horizon, current financial condition and level of funding in the portfolio suggest short term fluctuations in market value and rates of return may be tolerated within the portfolio while still achieving the Fund's longer term investment objectives.

Asset Allocation

At fiscal year-end 2013 and 2012, TCF's asset allocations were as

Fund Performance

The Fund grew 10.9% (2012, 1.0%) during the fiscal year ending March 31, 2013. Strong absolute returns in the Fund's Canadian and Global

Asset Class	2013	2012
Cash and Equivalents	2.5%	2.2%
Fixed Income	27.8%	28.9%
Canadian Equity	31.6%	33.3%
Global Equity	36.2%	34.3%
Real Estate	1.9%	1.3%

equity asset classes drove the positive total fund return.

Accommodative monetary policy and the struggle between flight to quality and risk taking continued to dominate the directionality of bond yields, Over the one year period ending March 31, 2013, the Canadian bond mandate, which is indexed to track the performance of the DEX Universe Index, returned a positive 5.9% (2012, 9.7%). The environment for High Yield Bonds remained favorable

MANAGEMENT DISCUSSION & ANALYSIS

as investors' appetite for higher risk assets was apparent through most of 2012 with equities and high-yield bonds in high demand, and corporate spreads continuing to narrow. The high-yield bond manager's 11.6% return (2012, 6.5%) for the year ended March 31, 2013, contributed positively to the Fund's total return.

For most of 2012, global equity markets made positive gains, despite a Eurozone recession and weaker growth expectations for the US economy. Over the one year period ending March 31, 2013, the Global Equity mandate, which is indexed to track the performance of the MSCI World Index (excluding Canada) returned a positive 13.0% (2012, negative 2.7%). Over the year we added an emerging markets mandate to the portfolio. Emerging market equities have α favorable growth outlook and are relatively uncorrelated with developed markets, providing a strong diversifying tool for the Fund.

Driven by weakness in the cyclical resource oriented sub-sectors (Gold & Base Metals) the Canadian market lagged other developed equity markets for the period ending March 31, 2013. Despite the weakness relative to global equity markets our Canadian equity managers averaged a strong 14.8% (2012, negative 1.8 %) return over the year. On a relative basis our Canadian equity managers significantly outperformed the benchmark (S&P/TSX Composite capped index) return of 6.1% (2012, negative 9.8%). Furthermore, the actively managed Canadian small capitalization equity mandate returned a solid 20.9% (2012, positive 5.2%) significantly ahead of the BMO Nesbitt Burns Small Cap benchmark index return of negative 3.6% (2012, negative 10.9%).

Our real estate mandate returned 6.4% for the one year period ending March 31, 2013 (2012, 4.0%). Our real estate fund manager's extended commitment period concluded in February 2013, ending the acquisition phase. The Foundation will continue to increase our Real Estate exposure with the goal of achieving a 10% policy weight.

The following chart summarizes the Foundation's investment asset mix as at March 31, 2013 versus March 31, 2012.

PRIMARY ENDOWMENT PORTFOLIO

The following graph illustrates the comparative returns of the primary endowment portfolio versus our internal benchmark. The internal benchmark is a policy weighting of comparative passive indexes.

Donor Advised and Donor Restricted Investments

In support of our success in our key result area of Asset Growth, alternatives to investing endowment gifts in the primary endowment portfolio are available.

An alternative is to enable donors to have their endowment gift to the Foundation managed outside the primary endowment portfolio by an investment manager recommended by the donor. Governance policies have been adopted to ensure appropriate oversight and due diligence processes are in place to administer these relationships and appropriately invest and monitor these assets. At fiscal year-end, \$13.6 m (2012, \$13.4 m) was invested in Donor Advised investments.

The \$1.1 m market value (2012, \$9.2 m) of gifts of securities retained at the direction of the donors – donor restricted securities – represents a second alternative for investing endowment gifts. The specific conditions of the gift agreements establish the manner in which these securities are administered. The agreements limit these types of endowments to α specified term.

OPERATIONS

Revenue

CONTRIBUTIONS

(millions of dollars)

Contributions of non-cash gifts of \$7.3 m (2012 – \$28.9 m) were received. The majority of these non-cash gifts were gifts of securities which were converted to cash and reinvested. Historically, gifts of shares, received primarily in November and December, have often made up nearly half of the value of gifts received but significant gifts of cash in the 2013 fiscal year altered this trend.

On average, bequests make up approximately 1/3 of the gifts to the Foundation. As illustrated in this fiscal year, the trend towards an increase in bequests related to the life cycle of the Foundation and the changing demographics of the city continues. Over the past 58 years, the relationships that have been established between donors, their professional advisors and the Foundation continue to result in the inclusion of legacy gifts in estate planning.

GRANTS

(millions of dollars)

\$30 \$25 \$20 \$15 \$10 \$5 2004 2005 2006 2009 2007 2008 2011 2012 DONOR ADVISED & DESIGNATED COMMUNITY & FIELD OF INTEREST

The service costs incurred to execute the strategy and drive performance are distinguished for management purposes between service costs, investment management costs and direct charitable activity. These costs totalled \$4.3 m (\$4.2 m in 2012). Over 70% of these costs (71% - 2013, 72% - 2012), again this year, are human resource costs (\$2.2 m - 2013, \$1.9 m - 2012) and investment management costs (\$0.9 m - 2013, \$1.1 m - 2012).

Service costs as a percentage of average asset value has been commonly used by community foundations as a benchmark of efficiency. Service costs are impacted by the projects undertaken to support operations, the asset classes and structure of the investment management program, professional and technical costs directly attributable to gift acceptance and initiatives in the community. Strategic planning time horizons and longer term initiatives combined with uneven timing of contributions and short term swings in the capital markets result in dispersion of the ratio around the mean of 1.12% over the past decade.

The Foundation aims to manage to a range around 1% of service costs as a percentage of average asset value.

SERVICE COSTS AS A PERCENTAGE OF AVERAGE TOTAL ASSETS

The service and investment management costs incurred to operate the Foundation that are not directly attributable to a particular gift are recovered from the Funds. The recovery process is as follows:

- (i) A percentage of the market value of the individual Endowment Funds is recovered by way of a tiered schedule. The amount of this recovery totalled \$3.7 m in 2013 and \$3.6 m in 2012.
- (ii) Interest earned on the money market instruments and fixed income securities, in which flowthrough contributions are invested, totalled \$402 thousand ('k') (2012 – \$254 k) and represented 8% of the revenue available to satisfy service and investment management costs in the year (6% in fiscal 2012). The interest revenue, continuing to be constrained by historically low short term rates, grew year over year due to a slightly higher return and a significantly larger daily average balance in money market instruments and fixed income securities.
- (iii) Managed Fund fees of \$196 k (\$180 k in 2012) represented 4% of service costs and investment management for 2013, (4% in 2012.) Managed Fund deposits, net of withdrawals, totalled \$2.5 m in the year (\$1.8 m in 2012). As the Managed Funds are invested in the same way as the Foundation-owned Endowment Funds, the market impacts this source of revenue in the same manner as i) above.

Direct charitable activity costs are funded from the grant amounts available to spend from Community and Field of Interest Funds.

PROSPECTIVE ANALYSIS AND RISKS

The Foundation assumes that its operations in the 2014 fiscal year will be materially consistent with those in 2013 except for the possible impact of risk factors discussed in the following sections.

DONORS

Enduring values: Encouraging Multi-generational Family Philanthropy

A study of global best practices of multi-generational families regarding philanthropy have confirmed that a deliberate approach to engaging next-generation family members is more likely to ensure the continuity of a family's philanthropic goals throughout the decades to come. Many uphold giving back to one's community as a family value and have demonstrated this belief by investing in the community in a sustainable manner for long-term maximum impact. In order to ensure this long-term influence, it is important to encourage future generations to carry on the values that motivated this philanthropy while senior family members are still living. A focused, intentional approach to facilitate multi-generational family philanthropy will be supported by the development and expansion of tools, activities, and resources that would deepen connections between family members. The impact on donors' ability to financially support their favoured charitable causes through the Foundation will be dependent, in part, on the impact of US and European economic performance on local businesses and wealth creation. More directly, the performance of the stock markets will also impact the level of giving of securities, which have made up a significant percentage by dollar value of gifts over the past number of years. Continued growth of the asset size of the Foundation through bequests is anticipated due to the increase in the number of bequests received annually.

Excluding significant and non-recurring flowthrough gifts to the Foundation, contributions to the Foundation have averaged almost \$30.8 million annually over the last decade. Based on the levelling of the playing field between public and private foundations vis-à-vis the reduced inclusion rate for the taxation of capital gains on gifts of securities previously available only to public foundations, planned gifts of which we have been made aware, our interpretation of demographic trends, and our perception of the continued philanthropic leadership of Calgary's citizenry, we foresee contributions of approximately \$25 million annually in the mid-term.

Reputational risks include risks due to actions of the Foundation itself as well as those of other charitable organizations. Greater than in the private sector, the improper actions of one charity reflect disproportionately on other charities. Governance structures, attention to internal controls, the initiation of a formal risk management plan and transparency and accountability initiatives mitigate the reputational risk to the Foundation. The support provided to other charitable organizations through the Organization Development & Transformation Grants help support, to a small extent, these mitigating factors in smaller charitable organizations.

GRANTS

As detailed in last year's report, the Foundation will again grant this upcoming year 4.5% of the March 31, 2013 market value of the Endowment Funds for the next twelve months. We continue to grant in excess of the Canada Revenue Agency requirement of 3.5%. Risks to this outlook include the impact on the capital markets of interest rate movements, the global economies and stock market volatility. This risk is two-fold as stock market losses and a return to sub-optimal economic growth will affect the absolute dollars that the Foundation has available to grant as well as reduce the dollars individuals and corporations give to the organizations we fund, thus increasing these organizations' demand for funding.

Additional resources have been allocated to advance the Foundation's work in creating value beyond grant-making. By partnering with the charitable organizations for the long-term, we seek to help the sector identify, measure and demonstrate impact; advance capacity-building initiatives and provide support for their working capital strategies.

PRIMARY ENDOWMENT PORTFOLIO

The primary endowment portfolio has grown to \$476.9 m (\$368.1 m, 2012) for the fiscal year ended 2013. In 2012, we completed an asset mix study. The result of this work will lead to new asset class mandates being incorporated within our existing specialty investment manager structure. It is worth noting that the inclusion of any new asset class is always done to further our investment objective which is to preserve the real purchasing power of the Fund's assets over the longer term. In an economic environment characterized by slow growth and capital market volatility the Foundation expects that the changes to the asset mix initiated in 2013 will result in better risk-adjusted returns over the long term.
