Annual Report

Celebrating and supporting community since 1955

- Sel

A reflection on our history, our future as a community

CEO & BOARD CHAIR Message

Where We Have Come From

Sixty years ago three Calgarians, sharing a common vision, created the Calgary Foundation to ensure resources would be available to address current community issues, and issues of the future that they could not yet see. Frustrated by estates left for obsolete needs, Grant MacEwan, Doug Hawkes and Ed Bredin had a vision to create an enduring organization to nurture a great community that supports all people, where a strong charitable sector addresses the community needs. They would be so proud to see how their vision has been realized.

Through 60 years of growth, some things have not changed. Our purpose is to build a permanent endowment to address the needs of the Calgary and area community. Today we are using the endowment to support current needs in our community, and investing the endowment to support future needs.

As we celebrate our sixtieth anniversary, we reflect upon our history. We remember and honour our founding donors who provided the necessary funds to kick-start the Foundation. In the early years, 20 dedicated people each contributed \$5,000, bringing our asset base to \$100,000. The first grants were made to the United Way of Calgary and Mount Royal College totalling \$1,500. Some years later, in 1979, there was the Million Dollar Dinner organized by Harry Cohen and Hayden Smith, expanding our financial base from \$120,000 to \$2,000,000 overnight. This calibre of event is rarely seen in present day, let alone in the 1970s. The original donor base of 20 has since grown exponentially.

We are honoured to be the steward of philanthropic dollars for Calgary and area and to be the recipient of donors' gifts. A total of \$385 million has been granted to the community throughout our first 60 years. Our asset base is currently \$834.4 million and growing. The generosity of Calgarians did not waver in the 2014-2015 year despite economic uncertainty in our city and, more broadly, our province. We received over \$59 million in new gifts last year.

We recognize those pioneers of the movement that had the foresight to see the value of a community foundation for Calgary and area, and the perseverance to build it. We thank all those who have shared in our journey as volunteers, donors, staff and community builders. We recognize and applaud the great work of the charitable sector that has wisely put to work Foundation grants to make this community a great one.

> – Dale Ens, Board Chair and Eva Friesen, President & CEO

Doug Hawkes, Hayden Smith, Ed Bredin & Grant MacEwan

Last year's highlights:

Our last year saw some incredible highlights that demonstrated the engagement of the community and its citizens:

- Our Vital Signs Survey saw a 15% increase in respondents.
- Since 2012, over 14,000 people have taken part in Neighbour Grants-supported projects across Calgary and area, organized by over 300 volunteers.
- Fund founders indicated strong satisfaction with the Foundation in response to last year's survey. They cited our key strengths to be our community impact, contribution to donors' impact, and community leadership.
- Jane's Walk 2015 saw explosive growth at 56 walks attended by over 1,835 participants the highest attendance in the history of the initiative in Calgary.
- The Community Knowledge Centre (CKC) has seen tremendous

Grants by Sector

Our year-end financials:

\$834.4 million asset base

\$59.9 million in new gifts

\$47.3 million granted to over 900 charitable organizations

47 new funds established

1 year compound return – primary endowment portfolio 13.1% against a benchmark of 10.2%

10 year compound return – primary endowment portfolio 7.6% against a benchmark of 6.7%

growth in use and popularity with over 140 charitable organizations now listed.

The Community Knowledge Centre (CKC) is an online resource that showcases the powerful role that charities play in transforming lives. Every charitable organization in Calgary and area is encouraged to create their own unique page to gain greater exposure for their work and to share stories of impact. CKC connects philanthropy with community needs and opportunities, and CKC is a snapshot of the community organizations providing solutions. The Calgary Foundation built CKC to serve all charities, not only those funded by our grants. The rationale is that in order to truly inform donors, all organizations working toward change in Calgary and area need equal footing. Our intent is to inform, inspire and invest. <u>ckc.calgaryfoundation.org</u> Established in 1955, the Calgary Foundation plays a community leadership role by applying resources, and convening and connecting groups to foster partnerships to build a strong charitable sector. The Foundation offers expertise and advice to donors to help establish charitable Funds, most endowed in perpetuity, and provides grants to charitble organizations working in all sectors of the community.

191 members strong – a Canadian community foundation movement

We've come from a place where there were four community foundations in Canada in 1955 to 191 community foundations in Canada today. We had the pleasure of hosting the Community Foundations of Canada national conference in May of this year. We hosted over 800 delegates from around the world over the three-day event. The energy at the event reminded us of the strength we have as a national movement. We would like to extend a sincere thanks to Trico Charitable Foundation as our host event sponsor.

Thank you Dale Ens – Welcome Ali Bhojani

We bid a fond farewell to Dale Ens who has completed three terms of three years, the past two of which were served as Board Chair. We take this opportunity to sincerely thank Dale for his years of service to the Foundation – his vision and innovative leadership established the Foundation as a leader in the sector. Assuming the role of Board Chair as of July 1, 2015 is Ali Bhojani, a lawyer and investor who has served on the

Board since 2009. We look forward to the energy and commitment Ali will bring to the role.

The Calgary Foundation manages over 1,000 Funds to realize the vision and commitment of donors to all sectors of our community.

Funds at the Calgary Foundation are established in a broad range of categories: Donor Advised, Donor Designated, Flow Through, Community, Field of Interest, Managed, Student Awards, Charitable Organization and Memorial Funds.

The Calgary Foundation believes in the expertise and creativity of the organizations we support. We convene partnerships with the charitable organizations to build a strong and sustainable community that serves to support Calgary and area.

The eight different GRANTING PROGRAMS at the Foundation annually support hundreds of charitable organizations in all sectors of the community: arts & heritage, education, community development, health & wellness, environment & animal welfare, human services and faith & religion.

The Calgary Foundation's COMMUNITY FUND harnesses the generosity of a broad range of donors, to collectively support emerging needs and innovations in the community.

Donors have the option of giving directly to the Community Fund or establishing a Named Fund within the Community Fund. Donations to the Community Fund give the Foundation the greatest flexibility to respond to current and emerging community needs.

By dedicating these unrestricted funds to the Community Fund, donors support a range of granting programs at the Foundation, including: Community Grants, Proactive Grants, Organization Transformation Grants, Small Grants and Grassroots Grants.

NAMED FUNDS IN THE COMMUNITY FUND

A Named Fund within the Community Fund can be named after the donor or in honour of specific individuals or groups.

Peter C. Bawden

Peter Bawden moved to Alberta in 1950, buying his first drilling rig and establishing Peter Bawden Drilling at the age of 22. The company was the first drilling contractor

in the harsh

1929-1991

for 35 years, unusual for the industry, before it was sold in 1998.

Drilling operated as a private company

environment of the Arctic Islands

and eventually had operations on all

continents of the world. Peter Bawden

In the 1950s, Peter Bawden's chuck wagon dominated the World Chuck Wagon Races at the Calgary Stampede. He was active in community service locally and nationally. The Calgary Special Olympics, the Canadian Olympic Association, the Canada West Foundation, Ducks Unlimited Canada, the 14th (Calgary) Service Battalion, the Boy Scouts of Canada and the Confederation of Church and Business People were just a few of the organizations he supported.

In 1990, he was awarded the Order of Canada for being "largely responsible for pioneering oil and gas drilling in the Arctic Circle and for the international transfer of Canadian expertise and technology in this field."

COMMUNITY GRANTS

Promote a healthy community by supporting projects that create new futures, engage citizens, strengthen charities and explore and celebrate our history and cultures.

George Maxwell "Max" Bell

Max Bell was born on October 13, 1912 in Regina, the son of an entrepreneur who owned several newspapers.

While working at the Calgary Albertan, Bell invested in

1912-1972

an oil well near Turner Valley; when it struck oil in 1936, income from his 1% share brought in twice his salary at the newspaper. After seven years as an employee, with the help of five friends from the oil patch, he was able to reclaim control of the Calgary Albertan.

Bell's main investment focus was the newspaper business. He acquired several major Canadian newspapers, including the *Globe and Mail*, forming FP Publications in 1965, Canada's largest newspaper syndicate at the time. By then he was also the largest single shareholder in Canadian Pacific Railway.

Shortly before his death, he established the Calgary-based Max Bell Foundation which has funded hundreds of projects and initiatives across Canada totaling more than \$77 million.

William Borger

William Borger was the owner of WD Borger Construction Company. This company was founded in Winnipeg in 1919 and was established in Alberta in 1949, when Bill moved to

Calgary. It has installed the majority of Calgary's underground infrastructure, and continues to do so.

The Borger Group won a Gold Medal as Canada's Safest Employer in the building and construction category for 2014, and for two years in a row it has ranked among *Financial Post's* Canada's Best Managed Companies.

The Borger Group prides itself in giving back to the community and has continued to support the Calgary Foundation through contributions to our Community Fund and other Funds such as the Wilson Family Funds.

FOUNDING

| National Music Centre | The Calgary Foundation CKUA Studio at the National Music Centre | \$3,000,000 |

Matt C. Brownlee

Malcolm Cecil (Matt) Brownlee was born on a farm near McDonald's Corner, Ont., and came to Calgary in 1905. His first year in the west was spent riding borsoback bo

1885-1975

horseback between Edmonton and the Montana border, selling *The Farmer's Advocate*, a newsletter published in London, Ont.

A natural-born salesman, Matt belonged to the Northwest Commercial Travellers Association of Canada for 57 years, the Rotary Club, the Ranchmen's Club, and the Calgary Golf and Country Club. He was a founding member of the Calgary Chamber of Commerce and stayed with that organization for 52 years, until his death. In the 1970s, he was made one of three Honorary Directors of the Calgary Foundation (the other two were Founders G.C. Lancaster and O.H. E. Might.)

Matt focused his philanthropy on bursaries. He set up trust funds for students in agricultural mechanics at Olds College and at the Calgary Board of Education; these were turned over to the Calgary Foundation in 1996.

DARYL K. SEAMAN CANADIAN HOCKEY FUND GRANTS

Support all aspects of amateur ice hockey in Canada on a nation-wide basis, registered Canadian amateur athletic associations, and other general charitable purposes

as determined by the Calgary Foundation.

The YMCA was another youth-oriented organization he supported.

FOUNDING DONOR

GRASSROOTS GRANTMAKING

Stepping Stones and Neighbour Grants are part of the Foundation's vision that all citizens be engaged in community-building. These grants recognize the vital contributions that small, local community and voluntary groups make to our communities.

STEPPING STONES GRANTS & PROJECTS

In partnership with First Calgary Financial

Encourage active citizenship by helping residents undertake small, creative projects that benefit their local community.

FUNDS established at the Calgary Foundation contribute to the well-being and vitality of Calgary and area by supporting and strengthening the charitable sector through impactful grants.

The most rewarding philanthropy is thoughtful and strategic. The Calgary Foundation takes pride in our flexibility and adaptability, providing customized services that meet the needs of each fundholder. Some fundholders seek guidance in their giving, whereas others are self-directed. Some fundholders prefer to be fully engaged in grantmaking, while others take a hands-off approach... we support them all.

Dr. Harry Cohen

Harry Cohen was born into a poor, immigrant family in Winnipeg. As a film inspector he was transferred by Warner Brothers to Calgary in 1912-1990 1932, fell in love with the city, and within two years persuaded his entire family to join him.

The majority of Funds established at the Foundation are ENDOWMENT FUNDS, which use the generated income to make grants to charitable organizations.

DONOR ADVISED FUNDS are established by donors who wish to be involved in recommending charitable organizations to receive grants from the Fund.

DONOR DESIGNATED FUNDS are established by donors who wish to support specific charitable organizations in perpetuity.

FIELD OF INTEREST FUNDS provide donors with the opportunity to direct their giving to a specific area of interest. The Calgary Foundation makes grants to charitable organizations best able to meet needs in the chosen field.

The Foundation also supports **FLOW THROUGH** FUNDS, which are not endowed and can take the form of Donor Advised or Donor Designated Funds.

Cohen remained in Calgary, and with his wife Martha, ranked among the city's leading philanthropists. They were the first couple to each earn an Order of Canada for their tireless work. Cohen was very involved with the Boy Scouts of Canada, the Calgary Stampeder Football Club, Camp B'nai B'rith, and the Canadian Council of Christians & Jews. He served as the Calgary Foundation's Board Chair in 1978-1979, a landmark year which saw our Million Dollar Dinner fundraiser.

A.R. (Sandy) Cross

Alexander Rothney (Sandy) Cross had deep roots in Calgary. He was the son of A.E. Cross, one of the "Big Four" credited with the establishment of the Calgary Stampede, and

1914-2003

the grandson of Colonel James Macleod who founded Fort Calgary in 1875. He inherited his interest in philanthropy from his parents, contributing western art and archival materials to the Glenbow Museum and supporting the University of Calgary.

A long-time bachelor, Cross married Ann Abbott in 1973. In 1987, with the growing city of Calgary coming closer and closer to their beloved ranch, the couple decided to donate 2,000 acres to the Province to preserve its natural beauty. This was the largest conservation land donation at the time, and it was initially managed by the Nature Conservancy of Canada.

The Ann & Sandy Cross Conservation Area has enjoyed continued support from two Funds at the Calgary Foundation, established with proceeds from the Cross' estate.

J.B. Cross

James Braehead Cross was the eldest child of A.E. Cross and brother of Sandy and John. In 1932, he succeeded his father as president of the Calgary Brewing and

Malting Company, one of the oldest

breweries in western Canada, dating back to 1892.

Knowing he was destined to take over the family business, James saw the company through the Depression and sold some of the family's oil and gas interests to avoid any employee layoffs. In 1961, Cross sold the brewery to Canadian Breweries, although he remained as president until 1963, when he retired to pursue his interests in ranching. Although the brewery gardens had become a major local attraction, they closed in the early 1970s.

Cross was an active member on the Calgary Stampede Board, and served as president from 1948 to 1951. He contributed financially and as a board member to many charitable organizations, especially the Canadian National Institute for the Blind.

Sam Hashman

Sam Hashman was a selfmade man who left a significant physical mark on Calgary. Many familiar buildings, including the Westbrook Mall, the Centennial

1929-2011

Planetarium, Mount Royal College (now University) and Calgary Place, once our city's tallest building at 31 floors, were constructed by his firms.

Sam was one of the early owners of the Calgary Stampeders and an active member of Calgary's Jewish community.

Sam moved his family to Florida in the mid-1970s, after a brief stint as President of Trizec's western Canadian branch, after Trizec took over his company, Great West International Equities Ltd. There he pursued his passions for real estate, as well as buying, refurbishing, and selling yachts and private planes.

John Munkland Cross was the youngest child of A.E. Cross. He was a Captain in the 14th Calgary Tank Regiment during World War II. He bought his two brothers' interest in the

1916-1991

13,000 acre A-7 Ranche established by their father in the Porcupine Hills.

His son John is the current owner of the A-7 Ranche, said to be the oldest ranch in Canada still in the hands of the family of its original owners. He is an environmentalist and the President of the Southern Alberta Land Trust Society.

J.H. Hillier

John Hilary Hillier, a plumber, was born in Goderich, Ont., and served in World War I.

With William M. Campbell he established Campbell and Hillier Ltd., sanitary

1883 - 1971

plumbing, heating and ventilating engineers in 1911 on 17 Avenue SW. Campbell was president and Hillier was vice-president until 1943, when Hillier became president until 1954. The company continues to exist now as Campbell & Hillier Renovations Ltd.

In 1954, John Hillier married Esther Smith, an office manager at Birks who had developed a knack for real estate investment during the oil and gas boom of the late 1940s. She became Esther Honens after her marriage to Harold Honens, an affluent rancher, in 1974. An accomplished amateur pianist, Esther was a strong supporter of the Calgary Philharmonic Orchestra and the Kiwanis Music Festival. In 1991, shortly before her death, she donated \$5M to establish the Esther Honens International Piano Competition Foundation Fund, now one of the top piano competitions in the world. Proceeds from Esther's estate and that of her second husband have seeded several Funds at the Calgary Foundation. These Funds provide steady and significant revenue not only to the Honens International Piano Competition, but also the Calgary Philharmonic Orchestra and the Calgary Performing Arts Festival (formerly the Calgary

E. V. Keith

Ellis Vee Keith ("Vee" to his friends) was the son of a missionary and born in the Samoan Islands. The family moved to Cardston, Alta., in 1920. Realizing that he needed

some formal education to further his business career, he moved to Edmonton to enroll in an accounting course while he worked in a liquor store.

Keith came to Calgary in 1941 and landed a job at the Land Titles department. While still a city employee, he started building his first house, which he sold in 1944. By 1951, he expanded his operation, establishing the Keith Construction Company Limited, building homes in Parkdale. Two years later, he formed the Kelwood Land Development Partnership with several other parties to develop new suburbs in the city's southwest such as Glendale, Wildwood, and Haysboro.

The development that Keith is best known for is Lake Bonavista – Canada's first man-made lake community initiated in 1967. The following year he was honoured with the White Hatter of the Year by the Calgary Tourist and Convention Association as "a man who has, quietly and without much thought of acclaim, given Calgary much of interest to both visitors and local citizens."

Gertrude M. Laing

Gertrude Mary Amies was born in Kent, England but moved to Winnipeg at a young age. Growing up in the francophone district of St. Boniface, she developed a

1905-2005

love of the French language, majoring in it at the University of Manitoba and studying at the Sorbonne in Paris on a scholarship from the French Government.

When her husband took a job in Calgary in 1952, Laing became a private French tutor and continued to pursue her interest in community work, which she had developed in Winnipeg as president of that city's YWCA and as a board member of its welfare council. In Calgary, she served as president of the Council of Community Services chair of the provincial branch of the Canadian Conference on Children, and vice president of the Canadian Welfare Council.

In 1963, Laing was appointed by Lester B. Pearson as one of 10 members of the newly-formed Royal Commission on Bilingualism and Biculturalism and served on it until 1971, co-publishing two books on the subject. She also served as chair of the Canada Council, was a delegate to the Unesco General Assembly, and received the Order of Canada in 1973.

Stan B. Laing

Stanley Bradshaw Laing was born in Winnipeg. He graduated from the University of Manitoba and received his designation as a chartered accountant in that city.

1907-1989

He interrupted a successful accounting career for five years to serve as an antiaircraft gunner during World War II, ascending to the rank of Major.

In 1952, Laing moved to Calgary, joining Bailey Selburn Oil as secretary treasurer and controller.

Laing had broad philanthropic interests and often lent his financial expertise to charitable organizations, serving as treasurer for the Jeunesses Musicales of Canada in Calgary and the Allied Arts Council. He served as president of the Calgary Philharmonic Society and of Junior Achievement. In 1969, he became a director at the Calgary Foundation, and in 1972, was chosen as the Foundation's first Executive Director, then a part-time position. Upon his retirement from this role in 1979, he was made an Honorary Life Member.

Stan married Gertrude Laing, also a Founder. The Stan B. Laing Memorial Fund was established as an unrestricted fund at the Calgary Foundation in 1989. In 2014, it was merged with the Stan B & Gertrude Laing Fund which had been set up in 1990.

George C. Lancaster

George Cullis Lancaster, was born at Cedar Springs, Ont., and grew up on a fruit and grain farm. He headed west in 1906, briefly working as a ranch hand in Saskatchewan and arriving in

Calgary allegedly with two dollars in his pocket.

Lancaster found time while running a tire service business to serve as an Alderman from 1936 to 1948. He was particularly interested in public transit issues and in 1964 was invited to chair the Calgary Transit Commission. In this capacity he eliminated the system's deficit and led the exploration of rapid transit concepts that eventually led to the LRT.

Lancaster first became involved in philanthropy when he took over from an ailing friend who was canvassing for relief funds for victims of the 1917 Halifax Explosion, raising \$10,000 (the equivalent of \$170,000 today). He joined the Red Cross in 1918, serving as a director of its Calgary branch, and as a member of its provincial executive. He served as director of the Calgary YMCA, chair of the building committee of the Calgary Crippled Children's Hospital (the forerunner of the Alberta Children's Hospital), chair of the Calgary Board of Trade, and president of the Calgary Zoological Society. In 1957, he received the Jaycee's Citizen of the Year Award. From 1965 to 1970, he was chair of the Calgary Foundation's Board of Directors.

took a job

as manager

1890-1971

for Radio Corporation of Calgary Ltd. The next year he formed H.G. Love and Company Limited, initially dealing in radio and electrical supplies, and later automotive supplies. In 1928, while operating this company, he acquired control of CFCN "the Voice of the Prairies;" by 1931 it was Canada's most powerful broadcasting station. Love entered the TV era in 1954, founding CHCT-TV, Calgary's first television station.

Love found time to serve as president of the Calgary and Canadian Chambers of Commerce, and was elected president of the Calgary Exhibition and Stampede in 1961. He was active in the Rotary and Shriners organizations and was awarded an honorary doctorate from the University of Calgary in 1967.

Fred C. Mannix

Frederick Charles Mannix was the eldest son of Frederick Stephen Mannix who came to Calgary in 1917 via Edmonton from Manitoba, and established

1913-1995

the Mannix Company Ltd., which built railways, highways, irrigation projects, airports, and dams.

During the 1970s, he gradually passed control on to his sons Frederick P, and Ron. By 1983, the family business had grown to a network of 132 companies; in the 1990s the energy interests were divested, but both sons continue to operate their own groups of companies, building on their father's legacy.

Although a notoriously private man, Mannix was a quiet but effective philanthropist. He was a founding member and long-serving councilor of the Canada West Foundation, and with his wife Margaret established the Carthy Foundation in 1965.

Mannix was bestowed many honours during his lifetime in recognition of his philanthropic accomplishments, including an honorary degree from the University of Alberta, honorary membership in the Association of Professional Engineers, Geologists and Geophysicists of Alberta, and the Order of Canada. When Junior Achievement established the Business Hall of Fame in 1979, Mannix was one of only two living Laureates named.

O.H.E. Might

Orrin Henry Eyres Might was born in Peterborough, Ont., and came to Calgary as a young child in 1901. He served in World War I and became a lawyer shortly thereafter. He was an

1896-1973

associate of the law firm Bennett, Hannah & Sanford formed by R.B. Bennett (who later became Prime Minister of Canada), the forerunner of Bennett Jones, and remained with this firm through its various name changes until his retirement in 1969.

Might was active in the Downtown Rotary Club, the Ranchmen's Club, and served as President of the Calgary Golf and Country Club.

In 1937, Might married Clara Christie. When Clara inherited her brother's fortune in 1981, she established the Nat Christie Foundation, which became a Managed Fund at the Calgary Foundation in 1995. This fund wound up in 2007 after distributing over \$17M to many education, health and arts organizations.

Clara died in 1987 but her name lives on through the Clara Christie Centre for Mouse Genomics and the Clara Christie Theatre at the Faculty of Medicine at the University of Calgary and the Dr. Clara Christie Learning Centre, a day care centre operated by Catholic Family Services. The Orrin & Clara Christie Might Library at the Calgary Chinese Cultural Centre is the largest of its kind in Canada, with over 60,000 volumes of Chinese books and videos.

Carl O. Nickle

Carl Olaf Nickle, the son of Sam C. Nickle (see next page) and Olga Simonson, was born in Winnipeg but came to Calgary at an early age. As a student

1914-1990

at Mount Royal College in 1936, he could not afford his tuition, but his fees were waived by the principal, a gesture that contributed to his dedication to philanthropy.

Although Nickle initially wanted to study law, he switched to journalism and became a reporter at CFCN Radio. In 1937, with \$65, he started *Nickle's Daily Oil Bulletin*, that is still known as the "bible" of the Canadian oil and gas industry. He also launched *Oil in Canada*, building a publications empire that continues today.

In 1951, Nickle was elected as a Progressive Conservative Member of Parliament in a by-election, and was reelected in 1953. He retired from politics in 1957 and focused on his own oil and gas company, Conventures, as well as serving on the board of directors for many others.

\$51,647

Nickle supported the Boy Scouts, the Calgary Philharmonic, the Calgary Exhibition and Stampede, and the Calgary Chamber of Commerce.

Despite having his own family foundation, Nickle strongly supported the Calgary Foundation, making a sizable gift of shares in 1979, as well as a bequest upon his death. The Carl and Diana Nickle Fund provides annual support to the United Way, and there are several named Community Funds in his name. The Nickle Family Foundation's Board of Directors established the Carl O. Nickle Memorial Fund upon his death.

S.C. Nickle, Sr.

Samuel Clarence Nickle was born in Philadelphia, Pa., the son of an Irish immigrant shoemaker, and moved to Winnipeg where he completed his

1889-1971

formal education, working as a bank clerk and later in his father's business.

Shortly after the war, Nickle relocated to Calgary, where his father ran the Nickle Boot Shop. By the 1920s he was investing in oil exploration in Turner Valley and Athabasca, but he did not make any money from these ventures until 1936. His wife Olga Nickle earned income as a violinist and later was a founder and employee of the Calgary Philharmonic Orchestra.

| | _ | _ |

Due to fluctuations in the oil and gas industry, Nickle did not really achieve wealth until he was 70. At age 80, he gave the fledgling University of Calgary \$1M to build the Nickle Arts Museum, its first building on campus funded by a private donation. He was thanked for this gesture with an honorary doctorate shortly before his death in 1971.

In 1955, Nickle established his own foundation which later merged with his son Carl's to form the Nickle Family Foundation. It is currently overseen by his descendants and has granted over \$23M, primarily to education and the arts.

Aside from Carl O. Nickle, Sam had three other children, one of whom was Agnes (Aylesworth) (1917-1998). Agnes was the mother of Sam Aylesworth, the Calgary Foundation's executive director from 1992 to 2005.

Annual Report

M. Ted Riback

Morris Ted Riback was born in Colorado to immigrant parents and moved to Calgary in 1930.

Riback's businesses included Ribtor Surplus Sales,

1910-2010

War Surplus Stores, United Trailer Company and United Mobile Homes. He was involved in many building projects such as the Safeway Store in Banff, the Petro Chemical Building, Bel-Aire Estates, and Brentwood Shopping Centre in Calgary and the CN Tower in Edmonton.

Riback was very active in the Calgary Jewish community, raising funds for the Congregation Beth Israel, the Jewish National Fund, the Calgary Jewish Community Council, B'nai B'rith, and Camp BB-Riback, a Jewish summer camp in Pine Lake, Alta., still thriving today.

Riback was instrumental in securing the 20 founding donations of \$5,000 for the Calgary Foundation in the early 1960s and served as president from 1970 to 1973.

INDEPENDENT AUDITORS' REPORT

To the Directors of the Calgary Foundation

We have audited the accompanying consolidated financial statements of the Calgary Foundation, which comprise the consolidated statement of financial position as at March 31, 2015, the consolidated statements of operations, changes in Foundation Funds and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide $\boldsymbol{\alpha}$ basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Calgary Foundation as at March 31, 2015, and its consolidated results of operations and its consolidated cash flows for the year then ended, in accordance with Canadian accounting standards for not-for-profit organizations.

See accompanying notes to the consolidated financial statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Year ended March 31, 2015, with comparative figures for 2014

1. Calgary Foundation (the "Foundation")

(a) Description of the Foundation: The Calgary Foundation (the "Foundation") was incorporated in 1955 by the Calgary Foundation Act of the Legislative Assembly of Alberta. The Foundation is a registered charity classified as a public foundation under the Income Tax Act (Canada) and accordingly is exempt from income taxes and can issue donation receipts for income tax purposes.

The Foundation's financial statements are prepared using Canadian accounting standards for Not-For-Profit Organizations in Part III of the Chartered Professional Accountants ("CPA") Canada Handbook.

(b) Foundation funds

Community & Field of Interest: These are endowment funds from which grants are directed to new and emerging needs of the community at the discretion of the Foundation. Field of interest fund grants are restricted to a charitable area, population or region at the time the fund is established.

Donor Advised & Designated: Donor advised funds are endowment funds from which grants are directed to charitable organizations with the advice of donors. Designated funds are endowment funds from which grants are directed to charitable organizations designated at the time the fund is established.

Flowthrough: These are funds from which grants are directed to charitable organizations with the advice of donors. These funds are not maintained in perpetuity.

- (c) Managed funds: These are funds owned by other charitable organizations and pooled with Foundation assets for investment purposes.
- (d) Preservation of purchasing power: To support the policy of preserving the purchasing power of the permanent endowment funds, the Foundation limits the amount of annual grants to a percentage of the market value of each fund.

2. Significant accounting policies

(a) Principles of consolidation: The consolidated financial statements include the financial statements of the Foundation, The Calgary Foundation Investment Trust and The TCF Trust. The Calgary Foundation is the sole beneficiary of both The Calgary Foundation Investment Trust, a trust established on August 6, 2009, and The TCF Trust, a trust established on May 29, 2013. On consolidation, all transactions and balances between the Foundation, The Calgary Foundation Investment Trust and The TCF Trust have been eliminated.

The Foundation is the beneficial owner of all of the shares of certain other registered charities. The Foundation has the ability to appoint the majority of these organizations' boards of directors. The accounts of these controlled organizations have not been consolidated with the accounts of the Foundation. Instead, the Foundation discloses financial information about these controlled organizations as specified in the CPA Handbook (note 11). These controlled organizations follow the deferral method of accounting for contributions.

(b) Financial instruments: Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. The fair value of limited partnership investments in real estate, private equity and infrastructure is calculated using the most recent audited or unaudited financial statements. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Foundation determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Foundation expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

- (c) Foreign currency translation: Investments and accrued income receivable denominated in foreign currencies are translated to Canadian dollars at the exchange rate in effect on the date of the statement of financial position. Investment income denominated in foreign currencies is translated to Canadian dollars at the exchange rate in effect when realized.
- (d) Revenue recognition: Interest on bonds and short-term notes are recorded as earned on an accrual basis. Dividends that have been declared are recorded as income on the date of record set for the dividend. Realized and unrealized capital gains and losses are recorded in the statement of operations when earned.
- (e) Contributions: The Foundation follows the restricted fund method of accounting for endowment and flowthrough contributions. Contributions are recognized when the amount can be reasonably estimated and collection is assured. Flow-through contributions not distributed in the year of receipt are recorded as a liability until the grants are made.
- (f) Administrative assets: The Foundation capitalizes and amortizes administrative assets. The assets are amortized over their useful lives of 3 to 5 years using the straight-line method of amortization.
- (g) Cash and cash equivalents: Cash and cash equivalents comprise cash on hand and temporary investments with an original maturity date of three months or less.
- (h) Investments: Investments are recognized in the statement of financial position at fair value as established by the closing bid price on a recognized public stock exchange. For investments not quoted on the active market, the Foundation assesses and determines fair value based on available market information.
- (i) Use of estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Estimates include the valuation of investments and the recoverability and useful life of administrative assets. Consequently, actual results may differ from those estimates.
- (j) Contributed services: A substantial number of volunteers contribute a significant amount of time each year.

The loan is to cSPACE Projects ("cSPACE"), a non-profit company established by CADA to promote, coordinate and facilitate real estate projects that establish affordable facilities, accommodations and education opportunities for artists and registered non-profit organizations operating in the arts or community sector.

In addition, in 2012 the Foundation agreed to grant \$3 million over 6 years to the City of Calgary, a municipality qualified to receive a grant from the Foundation, for use by cSPACE in the project. This grant was recorded in the financial statements as a grant expense and payable.

| | 2015 | 2014 |
|---|-------------|-------------|
| Loan to cSPACE repayable in full November 2016 with interest at 4.75% per annum | \$1,940,576 | \$2,940,576 |
| | | |

This loan is secured by a mortgage that is registered against the title to the property.

6. Other assets

| | 2015 | 2014 |
|--|-------------|-------------|
| Cash surrender value of donated life insurance policies | \$1,025,074 | \$ 946,182 |
| Miscellaneous | 40,272 | 40,272 |
| Administrative assets, net of accumulated amortization of \$390,989 (2013 - \$448.529) | 117,615 | 120,277 |
| | \$1,182,961 | \$1,106,731 |

The Foundation is the beneficiary named under whole life and term life insurance policies as follows:

| | | 2015 | | 2014 |
|---------------------|---------------|----------------------|--------------|--------------|
| | Premiums paid | Cash surrender value | Face value | Face value |
| Whole life policies | \$175,033 | \$1,025,074 | \$15,344,864 | \$15,186,100 |
| Term life policies | 17,700 | _ | 615,000 | 673,000 |
| | \$192,733 | \$1,025,074 | \$15,959,864 | \$15,859,100 |

The cash surrender value is recorded as an asset. As the realizable amount in excess of the cash surrender value is not certain, the Foundation will record the benefits when the receipt of the proceeds can be estimated and collection is reasonably assured.

7. Foundation funds

The capital of the Foundation is comprised of funds for which the Board seeks varying degrees of donor input on grant distribution. Deferred flowthrough grants represent flowthrough contributions received prior to March 31, 2015 and

contributions received prior to March 31, 2015 and not granted at fiscal year end, net of investment gains and losses and service costs, if applicable. This amount is deferred and is recorded as a liability until the grants are designated and paid.

| | 2015 | 2014 |
|-----------------------|---------------|---------------|
| Community | \$186,698,515 | \$159,740,217 |
| Field of Interest | 50,087,930 | 47,123,033 |

| | | | |

5. Loan receivable

The loan receivable relates to the purchase of an historic property which was the beginning of a project to create an integrated,

mixed-use 'hub' that provides a dynamic and collaborative environment focused on the incubation and advancement of professional arts practice, social innovation and community development in South Calgary. The project is a collaboration between the Foundation and the Calgary Arts Development Authority ("CADA"), the City of Calgary's designated authority for the development of the arts in Calgary and the municipal granting agency for the not-for-profit arts sector.

9. Commitments

The Calgary Foundation Investment Trust has unfunded investment commitments relating to real estate, private equity and infrastructure limited partnerships of \$115.9 million Canadian (2014 – \$133.9 million).

At March 31, 2015, the unfunded investment commitments denominated in U.S. dollars is \$60.5 million (2014 – \$73.2 million), translated into Canadian dollars in the amount of \$76.8 million (2014 – \$81.0 million). The unfunded investment commitments denominated in Euros is €12.2million (2014 – €20.0 million), trans-

lated into Canadian dollars in the amount of 16.7 million (2014 - 330.4 million). The unfunded amounts may be drawn on demand.

The Foundation rents its current office space under an operating lease. The future annual payments are estimated to be:

| 2016 | 330,000 |
|------------------------------|-----------|
| 2017 | 330,000 |
| 2018 (to September 30, 2017) | 170,000 |
| | \$830,000 |

25

On April 10, 2014, the Foundation entered into an agreement with a controlled organization, the Kahanoff Centre for Charitable Activities, to rent office space under an operating lease. The future annual payments under the lease are estimated to be:

| | 2016 | \$ 150,000 |
|---|----------------|-------------|
| | 2017 | 450,000 |
| е | 2018 | 450,000 |
| | 2019 | 450,000 |
| | 2020 and after | 3,000,000 |
| | | \$4,500,000 |

10. Service Costs

The Foundation recovers service costs from Community & Field of Interest and Donor Advised & Designated funds by way of a cost recovery based on the market value of each fund. Service costs are charged to Managed funds in accordance with the agreements. Expenses incurred for a specific fund are charged to that fund.

The Kahanoff Centre was incorporated under the Companies Act and has been granted tax exempt status as a registered charity under paragraph 149(1)(f) of the Income Tax Act.

In the Kahanoff Centre's fiscal year ended December 31, 2013, 5,667,313 shares with an aggregated value of \$5,667,313 were cancelled. Upon cancellation, the share capital and unrestricted deficiency were reduced by the amount of the cancelled shares.

In the Foundation's fiscal year ended March 31, 2015, grants of \$372,000 were approved, and \$124,000 paid, from Community and Field of Interest funds to the Kahanoff Centre (2014 - nil) to be provided to a tenant of the Kahanoff Centre for assistance with operating costs.

The Kahanoff Centre is undertaking an expansion of its capacity to provide office space to Calgary not-for profit organizations by constructing a second building on property owned by the Kahanoff Centre immediately to the east of its existing building. The Foundation has committed to guarantee up to \$32 million of financing for construction and the retirement of existing debt until a term loan, expected to be obtained in early 2016 by the Kahanoff Centre, replaces the construction financing. As of March 31, 2015, the Kahanoff Centre has borrowed \$5.4 million in construction financing (2014 - \$1.2 million).

| | Investments at fair value as at March 31, 2014 | | | |

Level 1 – quoted prices (unadjusted) in active markets for identical assets or liabilities.

· Level 2 - inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

• Level 3 - inputs for the asset or liability that are not based on observable market data (unobservable inputs). There have been no transfers between levels during the year.

The fair value of the limited partnerships in real estate, private equity and infrastructure is determined using accepted industry valuation methods at the discretion of the external investment managers or General Partner.

15. Financial risk management

The Foundation has exposure to the following risks from its use of financial instruments: Credit risk
 Liquidity risk
 Market risk

The Foundation adheres to Statements of Investment Policy, approved by the Board of Directors, which outline the objectives, policies and measures related to its investing activities. These policies prescribe qualitative and quantitative parameters around the investments held by the Foundation in its pooled funds in order to moderate the financial risks. The Board of Directors is accountable for the establishment and oversight of the Foundation's risk management framework.

(a) Credit risk: Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment resulting in a financial loss to the Foundation. The fair value of a financial instrument takes into account the credit rating of its issuer. The Foundation's investments in cash equivalents and bonds and debentures are subject to credit risk. The maximum exposure to credit risk on these instruments is their carrying value. The Foundation manages the risk by ensuring compliance with the limits to the credit exposure for the pooled funds and engaging a professional investment manager to actively evaluate the creditworthiness of the issuers of the high yield debt. Cash equivalents are substantially all Government of Canada Treasury Bills. As at fiscal year end, the Foundation's credit exposures in its fixed income portfolios were as follows:

| | Percentage of | Percentage of the market value of the fixed income portfolios | | | |
|---|--------------------------|---|--------------------------|--------------------|--|
| | 20 | 2015 | | 14 | |
| Credit rating | Investment grade bond | High yield bond | Investment grade bond | High yield bond | |
| Bonds and debentures, at fair value | \$160,435,492 | \$41,322,629 | \$172,308,878 | \$34,604,112 | |
| AAA | 39.6% | _ | 41.7% | 0.3% | |
| AA | 27.4% | 3.9% | 30.8% | 7.9% | |
| A | 25.2% | 1.5% | 21.2% | 3.4% | |
| BBB | 7.8% | 12.1% | 6.3% | 7.4% | |
| BB | - | 20.3% | _ | 27.2% | |
| <bb< td=""><td>-</td><td>62.2%</td><td>_</td><td>53.8%</td></bb<> | - | 62.2% | _ | 53.8% | |

The management of credit risk has not changed materially during the year.

- (b) Liquidity risk: Liquidity risk is the risk that the Foundation will not be able to meet its liabilities as they fall due. A majority of the Foundation's assets are investments traded in active markets that can be readily liquidated and therefore the Foundation's liquidity risk is considered minimal. In addition, the Foundation aims to retain sufficient cash positions to manage liquidity. The Foundation's exposure to and management of liquidity risk has not changed materially during the year.
- (c) Market risk: Market risk is the risk that changes in market prices, as a result of changes in foreign exchange rates, interest rates and equity prices, will affect the Foundation's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximizing the return.
 - Currency risk: Investments in securities denominated in foreign currencies are exposed to currency risk due to fluctuations in foreign exchange rates. The Foundation is exposed to currency risk on its foreign market common stock and its foreign market bonds and debentures, as the prices denominated in foreign currencies are converted to Canadian dollars in determining fair value. The objective of the Foundation's Statements of Investment Policy is to control currency risk by limiting the allocation to non-Canadian denominated securities and maintaining a geographically diversified portfolio.

| Total hedged and | Currency | Percentage of the market value of investments | | |
|--|----------------------------|---|---------------|--|
| unhedged investments | | 2015 | 2014 | |
| held in foreign currencies | Investments, at fair value | \$739,222,170 | \$659,179,229 | |
| as at March 31, 2015 was \$318,688,187, 43.1% | Canadian dollar | 56.9% | 64.1% | |
| of investments (2014 - | US dollar | 26.8% | 20.7% | |
| \$241,910,342, 36.7% of | Euro | 5.3% | 4.1% | |
| investments). The most | British pound | 2.3% | 2.6% | |
| significant exposure to cur- | Japanese yen | 2.5% | 2.3% | |
| rency risk is \$198,596,507, 26.8% of investments (2014 | Other | 6.2% | 6.2% | |

- \$136,214,920, 20.7% of investments) denominated in US dollars and not hedged to the Canadian dollar. A hypothetical 10 percent weakening (strengthening) of the Canadian dollar against the US dollar at March 31, 2015 would have increased (decreased) net assets and investment income for the year by \$19.9 million (2014 - \$13.6 million). This analysis assumes that all other variables, in particular interest rates, remained constant.

12. Significantly influenced organization

Calgary Stampede Foundation: The Foundation is the beneficial owner of one of the two authorized, issued and outstanding shares of the Calgary Stampede Foundation ("Stampede Foundation"). The Stampede Foundation was incorporated under the Companies Act and has been granted tax exempt status as a registered charity under paragraph 149(1)(f) of the Income Tax Act. The Foundation has a right to appoint a minority of the Stampede Foundation's board of directors. The Stampede Foundation's objective is to establish programs for the benefit of young residents of Southern Alberta to advance their knowledge and understanding of the history, heritage, traditions and culture of Alberta.

In the Foundation's fiscal year ended March 31, 2015, grants totalling \$25,500 were made by the Foundation from Donor Advised & Designated and Flow-through funds to the Stampede Foundation (2014 - \$1,067,589).

13. Fund-raising expenses and other

As required under Section 7(2) of the Regulations of the Charitable Fund-raising Act of Alberta, the Foundation discloses that the service costs incurred for the purposes of soliciting contributions were \$3,363 (2014 - \$2,236). The total amount paid as remuneration to employees of the Foundation whose principal duties involve fundraising was \$313,281 (2014 - \$202,628).

No single disposition of contributions equalled or exceeded 10% of the gross contributions received in either fiscal 2015 or 2014.

14. Financial instruments

The following is a summary of the inputs used in valuing the Foundation's investments using the fair value hierarchy.

| | Investn | Investments at fair value as at March 31, 2015 | | | |
|--|---------------|--|--------------|---------------|--|
| | Level 1 | Level 2 | Level 3 | Total | |
| Bonds and debentures, Investment grade | \$ — | \$160,435,492 | \$ — | \$160,435,492 | |
| Bonds and debentures, High yield | - | 41,322,629 | _ | 41,322,629 | |
| Stocks, Canada | 232,302,294 | | _ | 232,302,294 | |
| Stocks, International | 258,475,806 | _ | _ | 258,475,806 | |
| Real estate | _ | · _ | 23,192,452 | 23,192,452 | |
| Private equity | _ | | 23,493,497 | 23,493,497 | |
| | \$490,778,100 | \$201,758,121 | \$46,685,949 | \$739,222,170 | |

(ii) Interest rate risk: Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of interest bearing financial instruments held by the Foundation. Duration is a common measure of the sensitivity of the price of a bond to a change in interest rates. At fiscal year end, the bond portfolios had an average duration as follows:

| | 2015 | | 2014 | |
|---|--------------------------|--------------------|--------------------------|--------------------|
| | Investment grade bond | High yield bond | Investment grade bond | High yield bond |
| Bonds and debentures, at fair value | \$160,435,492 | \$41,322,629 | \$172,308,578 | \$34,604,112 |
| Duration (years) | 6.6 | 3.6 | 4.8 | 4.1 |
| Assumed increase in interest rates | +1% | +1% | +1% | +1% |
| Approximate resulting decrease in value | \$(10.6 million) | \$(1.5 million) | \$(8.3 million) | \$(1.4 million) |
| Approximate resulting percentage decrease | (6.6%) | (3.6%) | (4.8%) | (4.1%) |
| Assumed decrease in interest rates | -1% | -1% | -1% | -1% |
| Approximate resulting increase in value | \$10.6 million | \$1.5 million | \$8.3 million | \$1.4 million |
| Approximate resulting percentage increase | 6.6% | 3.6% | 4.8% | 4.1% |

(iii) Equity price risk: Equity price risk is the risk that the value of a financial instrument will fluctuate due to changes in equity markets. The Foundation is exposed to equity price risk on its equity portfolio. The Statements of Investment Policy apply to all investments held in the Foundation's pooled funds and it includes restrictions regarding the minimum and maximum amount of equities, bonds, and cash and cash equivalents. The diversification across various asset classes is expected to decrease the volatility of portfolio returns due to the lack of correlation between the returns of the various asset classes.

| | 2015 | | 2014 | |
|---|------------------|------------------|------------------|------------------|
| | Canada | International | Canada | International |
| Stocks, at fair value | \$232,302,294 | \$258,475,806 | \$198,743,097 | \$224,919,723 |
| Assumed increase in market prices | +7% | +7% | +7% | +7% |
| Approximate resulting increase in value | \$16.3 million | \$18.1 million | \$13.9 million | \$15.7 million |
| Assumed decrease in market prices | -7% | -7% | -7% | -7% |
| Approximate resulting decrease in value | \$(16.3 million) | \$(18.1 million) | \$(13.9 million) | \$(15.7 million) |

16. Comparative figures

Certain comparative figures have been restated to conform to the current year presentation.

Annual I

Management's discussion and analysis ("MD&A") is provided to enable a reader to assess our financial condition and results of operations for the fiscal year ended March 31, 2015, compared to the preceding year. This MD&A should be read in conjunction with our audited financial statements and related notes dated June 18, 2015. All amounts are based on financial statements prepared in accordance with Canadian accounting standards for not-for-profit entities except portfolio returns, which are based on performance reporting methodology, and activity, attendance or participation figures. The Calgary Foundation ("the Foundation") operates in accordance with the Calgary Foundation Act (Alberta, 1955, 2000) and bylaws and within the regulatory framework of the Income Tax Act (Canada), the Canada Revenue Agency ("CRA") guidelines and the Charitable Fund-raising Act and Regulations (Alberta). The Foundation has adopted Volunteer Canada's Code for Volunteer Involvement, Community Foundations

VISION AND MISSION

The Foundation exists for community, forever - to nurture a great community that supports all people, where a strong charitable sector addresses community needs now and in the future.

- To achieve this vision, the Calgary Foundation:
- Knows the community and its needs and opportunities
- Engages citizens in community building
- Inspires philanthropy and matches donors with the needs about which they care deeply
- Builds a permanent endowment to address the needs of today and the needs of tomorrow that we cannot yet see
- Strengthens charities in all parts of the sector (360 degrees)

STRATEGY AND KEY RESULT AREAS

LEADERSHIP IN COMMUNITY BUILDING

Desired Impact: Charitable sector is strengthened and citizens are engaged through the Foundation's grants and community initiatives.

Grants

Gifts to other registered charities, or grants, are made annually from both endowed and non-endowed funds. As grants from endowed funds are a percentage of the market value of the fund at fiscal year end, it is expected that as the market value of the the endowed funds grow, the dollar amount of grants will grow.

The dollar amount of grants in a year is also affected by the size, number and timing of grants from non-endowed funds.

TOTAL GRANTS

The total dollar value of grants from the Foundation from inception in April 1955 to the end of March 2015 is approximately \$403 million. Almost three-quarters of that amount (\$309 million) has been distributed to registered charities and like organizations in the last ten years.

GRANTS FROM INCEPTION

| \$450 | |
|-------|-------|
| \$400 | |
| \$350 | |
| \$300 | _ |

of Canada's ("CFC") criteria for membership and is accredited under Imagine Canada's Standards Program.

Forward-looking statements

This report contains forward-looking statements about certain matters that are, by their nature, subject to many risks and uncertainties which may cause actual results to differ materially from the statements made herein. Forward-looking statements include, but are not limited to, objectives, strategies, initiatives, and the outlook for the Foundation. Risks and uncertainties include, but are not limited to, changing markets, legislation, demographics and general economic factors or conditions, and other risks, known or unknown.

The following five charts offer insight into the total amount granted in fiscal 2015:

As with the trend in the dollar amount of grants distributed, the number of charitable organizations who have received grants each year from the Foundation has also trended upwards. This upward trend was materially interrupted only in 2010. The reduction in organizations funded in that year can be traced to the concentration of granting resources towards the larger, institutional charities that were negatively impacted by the financial repercussions of the 2008-2009 financial crisis.

NUMBER OF CHARITIES FUNDED

27

Unrestricted granting programs are funded by the Community fund and Field of Interest funds. These funds are generally endowment funds from which grants are directed to new and emerging needs of the community at the discretion of the Foundation. These granting programs are application based and encompass the following:

- · Community Grants to support initiatives that respond to emerging community issues and evolving priorities,
- Neighbour Grants to support resident-led projects that help create and strengthen the bonds of neighbourliness,
- Small Grants to support organizations to take advantage of unique opportunities to advance their work,
- Organization Transformation Grants for specific types of initiatives that support organizations in times of transition toward sustaining the long-term impact of their work,
- Stepping Stones Grants to encourage active citizenship by helping residents undertake small creative projects - neighbourly first steps - that benefit their local community.
- Major and Signature Grants to assist charitable organizations in all parts of the charitable sector by providing grants to support single or multi-year, large-scale charitable initiatives that are broad in scope and transform our community. Grants support local or national initiatives that impact Calgary and area by addressing major issues and encouraging participation in charitable activities from a great number of citizens.
- Flood Grants to support registered charities in long-term rebuilding and recovery efforts in Calgary and area - which includes the hardest hit areas of High River, Canmore, and surrounding First Nation reserves. These grants are funded by the Flood Rebuilding Fund established following the southern Alberta floods of June 2013.

UNRESTRICTED GRANTING PROGRAMS

UNRESTRICTED GRANTS APPROVED/DECLINED

The increase in the number and amount of grant applications and the by-product of the increase in the number and amount of applications declined in fiscal 2014 were both driven by a significantly larger amount of requests for funding related to flood recovery initiatives and the exposure garnered by the promotion of Daryl K. 'Doc' Seaman's \$117 million bequest to the Foundation.

COMMUNITY INITIATIVES

Knowledge of community needs and the work of charitable organizations across all sectors, derived from 60 years of experience, have positioned the Foundation to take a proactive leadership role in community building. Donors and charitable organizations have come to expect this from the Foundation. Through partnerships with others, and citizen engagement, the Foundation continues to address community issues for the benefit of all. This, and our capacity building initiatives for grant recipients, is the direct charitable activity of the Foundation. Throughout the year it included:

Forever Funds Signature Projects

The Foundation launched the Forever Funds initiative in 2005, in conjunction with the Foundation's 50th Anniversary, as a catalyst for action in five issue areas. The initiative involved bringing increased leadership, profile, funding and innovative solutions to help address emerging needs in the areas of Arts and Heritage, Diversity and Inclusion, Environment, Mental Health and Seniors. A sixth issue area - the Success of Aboriginal Young People - was included among these important fields more recently as part of the Foundation's work on the Governor General's Smart and Caring initiative.

Forever Funds to reflect today's community needs, while still honouring the original goals of the initiative. Work is underway to evolve Forever Funds to address current community issues. Based on the intelligence gained from the Vital Signs© reports and our broad community knowledge, the Foundation has begun the process of identifying potential "Vital Priorities" that will increase focus to its efforts over the next ten years. Our "Vital Priorities" will address issues that require increased leadership and funding as compared to other areas.

Community Knowledge Centre

The Community Knowledge Centre ("CKC") online platform was launched in 2014. CKC brings to life the work of registered charities by creating a central site to showcase the innovative and effective solutions to community issues from a broad range of organizations. The Foundation has long been recognized as a community knowledge leader. The CKC provides a vehicle for that knowledge to be shared broadly, with donors, charitable organizations, educators and community builders, for the greater benefit of all.

NUMBER OF CHARITIES ON COMMUNITY KNOWLEDGE CENTRE

Calgary's Vital Signs©

Published annually since 2007, Calgary's Vital Signs© is an annual check-up that measures the vitality of Calgary, identifies significant trends, and assigns grades in areas critical to the quality of life in Calgary. Involvement of Calgarians is key to producing the report which engages citizens by asking them to identify needs in the community and provide feedback on how to address these issues. The Foundation launched the initiative to increase the effectiveness of our grantmaking, better inform our donors about opportunities and to spark discussion within the community. We asked Calgarians to grade across the following areas in 2015: living standards, thriving populations, environment, lifelong learning, arts, community connections, wellness and overall quality of life. Vital Signs© is coordinated nationally by Community Foundations of Canada, the national membership organization for community foundations of which the Foundation is a member.

'Soul of the City' Neighbour Grants

The Neighbour Grants program has been in existence for over 15 years. In fiscal 2015, the first annual 'Soul of the City' Neighbour Grants expanded awareness of how Foundation grants can help people create and strengthen a sense of belonging right in their own neighbourhoods and communities. 'Soul' asked Neighbour Grant applicants to do more than fill out an application; they were asked to present their neighbourly project idea to a live studio audience who then voted in real time to select the top five grant projects. The winning projects each received \$5,000 and a spot in the

NEIGHBOUR GRANTS APPROVED/DECLINED

award-winning documentary "Our City, Our Soul: Five Neighbourhood Stories". Neighbour Grant data suggest that, as a result, more people were inspired to think of their own project ideas and apply.

DONOR ENGAGEMENT

Desired Impact: Existing and potential donors, donor families, professional advisors and charstable partners experience the unique value the Foundation brings, affirming the Foundation as the philanthropic partner of choice for them in achieving their charitable goals and aligning themselves with a leader that is actively engaged in strengthening the community forever.

The \$28.6 million in grants specifically identified to the strategic priority areas over the last ten years were made in the following areas:

TOTAL GRANT AMOUNT BY FOREVER FUND AREA (2006-2015)

34% Art & Heritage 23% Diversity & Inclusion 23% Environment 14% Mental Health 6% Seniors

The two signature projects that have been implemented under the Forever Funds are:

1. Arts Incubator

Following the development of a strategic partnership between the Foundation and Calgary Arts Development Authority, cSPACE Projects, a non-profit company, is currently transforming the historic King Edward School into an arts incubator. The facility will provide a collaborative gathering space for professional artists that inspires social innovation and encourages community development and will provide affordable studio space for individual artists and small collectives.

2. Harvie Passage (on the Bow River)

Harvie Passage, a series of pools and rapids on the Bow River that is named after philanthropist Don Harvie, suffered extensive damage from devastating flooding in 2013 and is currently unsafe for public use. Government officials are reviewing initial plans for a redesigned Harvie Passage.

The Foundation will always maintain its 360 degree orientation supporting all areas of the charitable sector. The Foundation has determined that it is time to re-examine and shift

NEW AND REPEAT DONORS

The Foundation seeks to inspire giving. Gifts to all charitable organizations in Calgary are celebrated. Although the number of donors to the Foundation has increased since 2011 – with outsize growth in fiscal 2014 because of Calgary's dramatic response to the Flood Rebuilding Fund - we do measure those who have given more than once as we believe that the Foundation's depth of knowledge of the philanthropic community will cause donors to wish to work with us repeatedly.

The Foundation is committed to engaging donors by identifying community needs of interest for them, fostering stronger relationships and adding greater meaning to their philanthropy. This engagement may lead to the giving of gifts and/or the establishment of individual funds as a means to carry out the donors' philanthropic wishes.

In very general terms, the trend line of donors' contributions to the Foundation mirrors the trend line of tax-receipted charitable donations claimed on tax returns for individuals resident in Calgary and area - except for the impact of one very large gift to the Foundation in the 2013 fiscal year. Although calendar 2013 saw a return to 2011 levels for the total of tax-receipted gifts made by individuals in Calgary and area, the Foundation's largest single gift was almost quadruple the amount of the fiscal 2011 contributions to the Foundation.

Source: Statistics Canada. Table 111-0001 - Summary of charitable donors, annual-calendar, CANSIM (database)

The Foundation welcomes gifts of any size knowing that each gift – the impact multiplied when endowed – has the ability to further the mission. Although individual funds are established with a minimum of \$10,000 (or a commitment to reach \$10,000 in the near-term) in order to maximize the impact of grants from the fund and use operational resources in an efficient manner, gifts of any amount can build existing funds. The fund minimum was recently increased from \$5,000, which was in place for a number of decades, in order to keep up with inflation.

Source: Statistics Canada. Table 111-0001 - Summary of charitable donors, annual-calendar, CANSIM (database)

Over 60% of all the individual funds (numbering approximately 660 out of a total of over 1,100 funds) at March 31, 2015 had balances below \$100,000 with roughly 1/3 of that amount representing funds established with less than \$10,000. The Foundation works with existing and potential donors to create funds in many and varied ways that best suit each individual or organization. The number of new funds established each year, both living and testamentary, has varied within a relatively narrow range over the past five

NUMBER OF FUNDS BY Fund Balance

PUBLIC CONFIDENCE AND REPUTATION

Desired Impact: Public knows and values the Foundation as a strategic advisor in philanthropy, an impactful grant maker and a knowledgeable community leader and convenor.

Annual F

The Vital City event, which celebrates philanthropy by gathering community leaders, local non-profit organizations, donors and engaged citizens for an overview of the charitable sector and a year in review for the Foundation, and Jane's Walk, a commemoration of the legacy of Jane Jacobs which celebrates local history and encourages connections between Calgarians, have been the primary drivers of event attendance since 2011. The jump in attendance numbers in the 2014 fiscal year can be attributed to the addition of a media conference and luncheon that was held to announce Daryl K. 'Doc' Seaman's \$117 million bequest to the Foundation, the largest single gift in community foundation history and second largest donation in Canadian charitable giving history.

Social media, primarily Twitter and Facebook, were used for event and publication promotion. The Foundation 'tweets' on a daily basis to promote upcoming events, support partner organizations and generate conversation with our 'followers' and 'friends'. A new website was developed in 2014 to be interactive, easy to navigate and allow integration of social media networks. Historically, the largest percentage of unique visitors to the website view the 'Grants' section.

The increase in the number of website visits and social media connections has increased at a steep rate over the last five years.

EVENT ATTENDEES

WEBSITE & SOCIAL MEDIA

years. Direct contact with donors has, over the four years prior to 2015, been the primary source of individual funds. The impact of referrals by professional advisors has been a significant contributor to the establishment of funds throughout the time frame presented but saw significant growth in 2015.

The Vital Signs report, Foundation annual report and spring and fall editions of SPUR magazine were published in fiscal 2015.

Millions

FINANCIAL ASSETS

Desired Impact: A growing asset base where capital is preserved while maximizing benefits/ impact to community.

Investments

The total assets of the

Foundation's primary

endowment portfolio

("Endowment") at March

TOTAL ASSETS AT FISCAL YEAR END

31, 2015 were \$740.2 million, representing 89% of the total assets (2014 – \$609.2 million and 82% of total assets). The Endowment is managed by external investment managers in accordance with the Statement of Investment Policy and Procedures ("SIP"). The principal purpose of the SIP is to formulate guidelines for the prudent investment of the Endowment. The SIP establishes and communicates the Foundation's investment objectives and principal governance policies.

The Foundation's primary investment objective is to earn a rate of return over the long term that preserves the real purchasing power of the Endowment's assets. The long-term average real rate of return objective, as measured over moving 10-year periods, is expected to be 5.0%. In order to achieve this long term return objective, the Foundation employs a total return investment strategy that adds capital gains to the list of potential income sources. In implementing such a strategy, the Foundation recognizes and acknowledges some risk must be assumed in order to achieve the long-term investment objectives of the portfolio, and there are uncertainties and complexities associated with investing in capital markets.

Primary Endowment Portfolio Performance

| Emerging markets equity | 12.1% | 3.3% | | | |
| Real estate | 7.2% | 29.2% | | | |
| | | | | | |

The positive total Endowment performance was driven by strong domestic bond returns coupled with a weaker Canadian dollar which meaningfully boosted foreign equity holdings over the year.

The Canadian government bond market saw surprisingly strong performance in 2014 and into the first quarter of 2015 buoyed by the Bank of Canada rate cut at the beginning of this year. Strong bond returns and falling yields, that reached new historic lows in Canada after rising for the better part of 2013, were unexpected. Over the past year the Canadian high yield market suffered from the impact of low oil prices. Against this backdrop, our high-yield bond manager returns suffered.

Global equity holdings continued to make new highs in 2014 driven earlier in the year by strong corporate earnings and improving investor confidence in the US market. Moreover, the Endowment's foreign equity holdings further benefited from the relative underperformance of the Canadian dollar. Despite headwinds from a strong US dollar, geopolitical concerns in Russia and the Middle East and continuous expectations of Federal Reserve tightening, our emerging markets portfolio produced a significant positive return.

The S&P/TSX Composite Index ended the fiscal year on a weaker note, up a mere 2.6% (2014 - 16.0%) on a total return basis. Energy was the worst performing sector in 2014 and continued to be the worst sector in the first quarter of 2015. On a relative basis our Canadian

Unrestricted endowed funds

Attention is paid to the distribution of assets across the various types of funds. Community and Field of Interest funds, which are not restricted and grant at the full discretion of the Foundation, have historically represented a significantly smaller percentage of the total assets than funds established to support a designated charitable

organization or in which the advice of donors is sought. Unrestricted fund assets have grown significantly from 17% in 2006 to 30% in 2015.

Organizational effectiveness

Desired Impact: Sound management and strong governance support the achievement of goals in a healthy workplace where employees and volunteers work as a team and thrive, and where resources and expectations are aligned. Service costs as a percentage of average asset value has been

2006 2007 2008 2009 2010 2011 2012 2013 2014 2015

commonly used by community foundations as a benchmark of efficiency. Service costs are impacted by the projects undertaken to support operations, the asset classes and structure of the investment management program, professional and technical costs directly attributable to gift acceptance and charitable initiatives in the community.

The Foundation aims to manage to a range around 1% of service costs as a percentage of average asset value.

CAPABILITY TO DELIVER RESULTS AND HISTORICAL ANALYSIS

Assets

The Foundation's total assets under administration as at March 31, 2015 totalled \$834.4 million as compared to \$740.1 million at March 31, 2014.

Of the total assets under administration at fiscal year-end, \$27.6 million (2014 – \$21.7 million) of assets represent managed funds. Managed funds are endowments owned by other charitable organizations. The managed funds' liability is represented on the Consolidated Statement of Financial Position as a claim on the Foundation's primary endowment portfolio by these other charitable organizations.

Operations

Further analysis of fund balances, or equity, endowment contributions and grants illustrates the allocation by Community & Field of Interest, from which grants are made at the discretion of the Foundation, Donor Advised & Designated from which grants are directed to charitable organizations with the advice of donors or designated at the time the fund is established, respectively, and non-endowed Flow-through funds from which grants are also directed to charitable organizations with the advice of donors.

FUND BALANCES

equity portfolio was collectively underweight the more cyclical resource sectors of the market and as a result outperformed the benchmark index. Over the one year, Canadian small cap holdings significantly underperformed large cap holdings, accordingly, our actively managed Canadian small capitalization equity mandate detracted from the returns.

The Foundation will continue to increase our Alternative Asset Class (Real Estate, Private Equity, and Infrastructure) exposure over time.

At fiscal year-end 2015 and 2014, the Endowment's asset allocations were as follows:

ENDOWMENT ASSET ALLOCATIONS

ENDOWMENT CONTRIBUTIONS

GRANTS

The service costs incurred to execute the strategy and drive performance are distinguished for management purposes between service costs (e.g. fund development, communications, accounting, computer support, general and administrative and related management), investment management costs (e.g. portfolio management, custodian, performance measurement and related management) and direct charitable activity costs (e.g. granting programs, proactive community leadership and related management costs). These costs totalled \$5.9 million (\$5.5 million in 2014).

The service and investment management costs incurred to operate the Foundation that are not directly attributable to a particular gift are recovered from the funds. The recovery process is as follows:

(i) A percentage of the market value of the individual endowment funds is recovered by way of a tiered schedule. The amount of this recovery totalled \$6.7 million in 2015 and \$5.0 million in 2014.

(ii) Managed fund fees of \$281,000 (\$233,000 in 2014).

Interest earned on the money market instruments and fixed income securities, in which flowthrough contributions are invested, totalled \$0.8 million (2014 – \$1.1 million). This revenue was previously used to fund service and investment management costs. Due to the continuing receipt of significant flow-through contributions, this interest revenue will be used for special initiatives that advance the purpose of the Foundation. This change to the use of the revenue was made possible by the growth in the primary endowment portfolio and the cost recovery therefrom.

Direct charitable activity costs are funded from the grant amounts available to spend from Community and Field of Interest funds.

PROSPECTIVE RISKS

The Foundation assumes that its operations in the 2016 fiscal year will be materially consistent with those in 2015. The Foundation follows a structured approach to enterprise risk management, wherein a risk register is established and risks are evaluated as to their consequence and likelihood. Most recently, two risks were identified as having the highest intersection of consequence and likelihood:

Reputational: Media Relations

An impeccable reputation is the Foundation's most important asset. Inherent in the numerous and increasingly multi-faceted interactions with donors, grant seekers, professional advisors and community representatives is the possibility for miscommunication and misunderstanding leading to negative media exposure. This negative media attention could, in turn, impair the relationships with these stakeholders which are critical to our success in implementing our strategy.

Financial: Erosion of capital

As has been identified in previous years, the Foundation's ability to preserve the endowment's corpus in perpetuity, maintain the purchasing power of the annual grant distributions, finance direct charitable activity and fund each year's service and investment management costs,

The breakdown of total costs as per the financial statement presentation is as follows:

depends on the investment performance of the primary endowment portfolio providing returns that meet or exceed these demands.

The Foundation manages these risks in the following ways:

We manage the reputational risk pertaining to *media relations* by actively cultivating a strong positive image of the Foundation among its stakeholders and general public that reflects the Foundation's values and actions. To help protect the positive image, the Foundation has established a media relations and crisis communication strategy. The effectiveness of this strategy relies on the existence of strong relationships with traditional media, experienced management of various communication channels and a defined spokesperson.

The Foundation has evolved by nurturing and building strong relationships, not only with stakeholders and the local public, but also with wider social media adherents. These relationships, especially the strong connections with trusted partners, mitigate the risk to the Foundation and play a major role in helping to advocate for the Foundation and getting positive messages out quickly and accurately.

In order to manage the financial risk of the erosion of capital, the Foundation employs a diversified total return investment strategy. In implementing such a strategy, the Foundation acknowledges some variability of the returns, as there are uncertainties and complexities associated with investing in capital markets. This must be recognized in order to achieve the long-term investment objectives of the portfolio.

In addition, the Board annually reviews the current disbursement policy, the direct charitable activity budget and service and investment management costs to ensure a balance between preserving the endowment's corpus while maintaining, and minimizing the volatility of, inflation-adjusted distributions from year to year.
