KEY POINTS

- Neighbour Grants supports small local projects that strengthen the ordinary bonds of neighbourliness and that are led by people in their own neighbourhoods and communities.
- To be eligible, the applicant must be a registered Canadian charitable organization (or another kind of group the Government of Canada recognizes as a 'qualified donee'). If this is not the case for you, please contact us to discuss options before submitting this application.
- We accept Neighbour Grants applications approximately ten times a year. Please give at least eight weeks between our deadline and your project.
- The project **MUST** be led by people of and take place in the Calgary Foundation's region - Calgary, Banff National Park, Canmore, Rocky View County, the Municipal Districts of Big Horn, Foothills, Kananaskis and Wheatland (including towns and hamlets), and the surrounding First Nations of Treaty 7 territory.

Fuller details and application deadlines can be found on our website [here](#).

You will also find a list of recent grants to give you a sense of the project that Neighbour Grants supports [here](#).

Please note: If we give your project a Neighbour Grant, we will list that information on website and in our other public records. We will also require a final report.
