

## Michael Gee

### Michael Gee Scholarship Fund Award

The Michael Gee Scholarship Fund Award was established in 2005 in memory of Michael K. Gee.

Michael was 15 years old when he passed away suddenly in April 2005 while participating in a Junior A hockey camp in Drayton Valley.

At the time, he played U17 AAA (Midget A) with the NorthWest Calgary Athletics Association and was a promising prospect with aspirations of obtaining a NCAA scholarship. He had a passion for hockey and always strived to be a leader both on and off the ice. He excelled in his academics and was known for his sportsmanship and hard work ethic.

This award celebrates Michael's life and is intended to recognize hockey athletes who exhibit the same attributes and dedication.

The Michael Gee Scholarship Fund Award would not be possible without a great community, wonderful friends and a loving family.

The Gee Family would like to express its gratitude for your interest in this award and are appreciative to the Calgary Foundation for its continued support in commemorating Michael's legacy.
