Doc Seaman has been described as a hero, icon, pioneer, philanthropist, visionary and legend. He was an original owner of the Calgary Flames and was instrumental in bringing them to Calgary in 1980. Among his many other accomplishments, Doc was also known for his wartime experiences as a World War II pilot, and for his civic contribution as a member of the Royal Commission on Economic Union and Development Prospects for Canada, 1982-1985. Doc received two honorary Doctor of Laws degrees and was appointed an Officer of the Order of Canada. His philanthropic giving ranged from supporting education and medical research to funding entrepreneurial initiatives. Doc’s love for ranching, hockey and sports, and his dedication to community will leave a lasting legacy for years to come.

About the Daryl K. Seaman Canadian Hockey Fund

In accordance with the Will of Daryl K. Seaman, the purpose of grants from the Daryl K. Seaman Canadian Hockey Fund is to support:

- All aspects of amateur ice hockey in Canada on a nation-wide basis;
- Registered Canadian amateur athletic associations; and
- Other general charitable purposes as the Board of Directors of the Calgary Foundation shall determine.

In addition to amateur ice hockey, proposals of interest include new initiatives that encourage young people to learn about, enjoy and play amateur sport of all kinds as well as those that increase equal access and promote participation in community-based amateur sport. Proposals should include plans for long-term sustainability and financial support from the local community as the Fund may not be able to support ongoing operations for more than a three year period.

As an endowment fund, only a portion of the income earned will be granted each year. Keep in mind that the Daryl K. Seaman Canadian Hockey Fund is a national program. Therefore, the Calgary Foundation receives many proposals.
