

## Strategic Opportunity Grants Program A Sampling of Grant Recipients

### Organization Transformation grants:

**Alzheimer Society of Calgary** **\$7,500**  
*Dementia Network Calgary - Collective Impact and Shared Measurement*  
 The goal is to develop a common set of measures that will enable the Network to monitor performance against identified outcomes (on strategy roadmap); communicate progress; and provide a foundation for continuous learning.

**Brown Bagging for Calgary Street Kids** **\$4,000**  
*Communications Strategy*  
 To compile all of BB4CK's communications plans and ideas in to one comprehensive, coordinated Communications Strategy, including key messages, a schedule and calendar of content, and established

**Calgary Legal Guidance Society** **\$2,500**  
*Strategic Organizational Review*  
 The Board of Directors will hire an experienced non-profit management consultant to recommend and begin to implement new governance and organizational staffing structures and related opportunities for organizational improvement.

**Calgary Outlink: Centre for Gender & Sexual Diversity** **\$6,750**  
*Transforming Calgary Outlink*  
 Calgary Outlink needs to redevelop its board so that they are well trained in governance; consult its community to give input into its direction; and redevelop its policies and procedures to develop its capacity to deliver services.

**One Yellow Rabbit Theatre Association** **\$4,000**  
*Organizational Recalibration*  
 To support One Yellow Rabbit's initiative to work with the staff, ensemble and consultant to 'recalibrate' the organization; to establish how One Yellow Rabbit will flourish and continue its artistic excellence well into the future.

**Two Wheel View** **\$7,500**  
*Feasibility study to make a new home for Two Wheel View in Calgary*  
 TWV is really in need of a larger space for office staff, managing bicycles and programming and we want to run a feasibility study into what kind of space we need and to explore our options.

**Wordfest** **\$7,500**  
*Bigger, Better, Stronger Together*  
 Wordfest (WF) and the Calgary Public Library (CPL) will work together to develop a strategic alliance to transform the way both organizations provide services, events and author experiences for all Calgarians.

### Unique Opportunity grants:

**Calgary Opera Association** **\$3,460**  
*Tessitura Learning Conference*  
 To give Calgary Opera the opportunity to give staff advanced training coinciding with improvements in software supporting administration, ticketing, development and patron relations

**Carya Society of Calgary** **\$1,200**  
*Coalitions Collaborating for Impact (CCI) Alignment Initiative*  
 To provide support to the Calgary and Area Early Childhood Community Coalitions so they can share their CCAP plans, find points of alignment, form work groups and help each other implement the plans.

**Children's Legal & Educational Resource Centre** **\$4,300**  
*Youth Engagement in Public Legal Education: Q&A Form and Content Review of [www.youthlaw.ca](http://www.youthlaw.ca)*  
 To provide comprehensive and accessible legal information to youth to help equip and empower them to understand legal issues they confront daily and assist them to understand their rights and responsibilities.

**Environmental Law Centre** **\$5,000**  
*Off-Highway Vehicle Roundup - Part 2 (Addendum)*  
 The ELC seeks to issue an addendum to a publication as new information discovered after publication may impact the ELC's analysis of the legislative tools available for off-highway vehicle management.

**Peter and Catharine Whyte Foundation** **\$4,000**  
*Furthering Philanthropy in the Bow Valley*  
 The goal is to bring a world-class resource to the Bow Valley that will help us all to think bigger, identify ways to do more and grow our philanthropic culture.

**Valour Canada** **\$7,500**  
*70th Anniversary of D-Day video*  
 The project is to produce a documentary of Canada's untold D-day story that will be premiered at the Flame of Remembrance Ceremony.

**Weaselhead Glenmore Park Preservation Society** **\$7,200**  
*South West Calgary Ring Road Impacts Study*  
 To collect baseline data on biodiversity, water quality and social value of the Weaselhead (an urban park in Calgary) before construction of the SW Calgary Ring Road isolates it from the surrounding countryside.
